The Executive Secretary reported and the Chair determined that a quorum was physically present.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; Mr. Lucas Crater, General Counsel; and Ms. Misty Whittington, Executive Secretary of the Board.

Chair Thomas explained the procedures for the public comment and question portion of the Board's agenda.

Executive Secretary Whittington notified the Board that no persons had registered to speak.

The Chair discussed that he expected the Board would be making some difficult decisions for the University in the months ahead; however, he was confident in the leadership team the Board had put in place and the team's abilities to implement the changes necessary to make a better University.

President Dunn reviewed efforts that had been made at the University over recent years to conserve cash and tighten spending to include not filling vacant positions, reduced travel, monitoring of cash reserves, and slowing of payments to vendors. He noted that the state had delayed payments to Universities over the past several years, but this was the first year that Universities had not received any payments or MAP funding. The President provided the Board with lists of proposed cost reductions. Further, the Board reviewed policy related to declaring fiscal emergency. It was discussed that the Board may need to schedule a special meeting in June to determine action to take regarding cost reductions if the state has not sent the University any funds by that time.

Chancellors Colwell and Hansen presented 2016-17 tuition and fee proposals for SIU Carbondale and Edwardsville, respectively. The Chancellors discussed that needs were different at each campus, and the rationale for proposing a 3 percent increase for SIU Carbondale versus a 9 percent increase at SIU Edwardsville. Some Board members expressed concern about the 9 percent increase proposal.

Ms. Lori Stettler, Interim Vice Chancellor for Student Affairs, SIUC; and Dr. Jon Shaffer, Director of Housing, SIUC; made a presentation of the current conditions

of on-campus housing and discussed proposed phasing in of new housing for the campus.

Dr. Jeff Waple, Vice Chancellor for Student Affairs, SIUE; and Mr. Mike Schultz, Director of Housing, SIUE; made a presentation of current conditions of on-campus housing and proposed long-term planning for new housing for the campus.

A panel discussion was held regarding diversity initiatives with the following panel members: Dr. Randy Burnside, President, Black Faculty and Staff Council, SIUC; Dr. Rodrigo Carramiñana, President, Hispanic/Latino Staff and Faculty Council, SIUC; Dr. Anthony Cheeseboro, Vice President, Black Faculty and Staff Association, SIUE; Ms. Carolyn Harvey, Vice President, Black Faculty and Staff Council, SIUC; Dr. René Francisco Poitevin, Administrative Professional representative, Hispanic/Latino Staff and Faculty Council, and Coordinator, Hispanic/Latino Resource Center, SIUC; Mr. Prince Wells, President of the Black Faculty and Staff Association, SIUE. Panel members raised issues for the Board's consideration to include: diversity initiatives need timelines and measurable goals for accountability; a campus climate study is recommended to identify potential issues; representatives from the groups should be included in the discussions and implementations on the campuses regarding diversity initiatives; include representatives from the groups on search committees; and consider the groups as officially recognized constituency groups. Further, representatives discussed that some issues for students could be reduced by training of staff, and suggested the campuses needed to create a more welcoming environment for people of color. The panel said that affected people need to be involved in the process and also implementation. Board members were in agreement to continue conversations regarding diversity issues.

The Chair moved that the Board recess for a 10-minute break and reconvene in the Board Room.

Chair Thomas reconvened the meeting at 2:16 p.m.

The Board discussed with President Dunn campus sexual assault awareness. Board members expressed interest in participating in a segment of related campus training. It was suggested that the Board would have further discussion on the subject at its May meeting, and President Dunn would coordinate the session.

President Dunn noted that SIUE Chancellor Search Chair and School of Pharmacy Dean Gireesh Gupchup will provide an update on the search at the Board's meeting on the following day. The Board discussed the level of participation they wished to be involved with the candidates in the interview process.

President Dunn discussed the need for more assistance in the system Academic Affairs Office; however, he thought given the current budget reduction discussions under consideration at the state level that he wished to set aside the topic for the meeting.

The Board discussed the need to hold a retreat and made plans to hold the retreat August 25-26, 2016. The location will be determined and proper notification will be provided.

At approximately 3:00 p.m., Trustee Gilbert moved that the Board go into closed session to consider pending, probable or imminent court proceedings against or on behalf of the Board; information regarding appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body; collective bargaining; and review of minutes of meetings lawfully closed under the Open Meetings

Act. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (2), (11), and (21). The motion was duly seconded by Trustee Portwood. The motion carried by the following recorded vote: aye, Hon. J. Phil Gilbert; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Mr. Allen Shelton; Ms. Amy Sholar; and Maj. Gen. Under Committee Reports, Chair Thomas reported that the Executive Committee had not met since his last report to the full Board.

The Chair reported that the full Board met on the prior day and discussed in open session such items as student housing, tuition and fee rates, and the state budget impact on the University. He further noted the Board participated in a successful presentation from representatives on diversity and inclusivity initiatives. The Chair added that the President and his team are charged to prepare presentations for its next Board meeting regarding issues of campus sexual assault facing the University and institutions of higher education across the country as well as continued discussion regarding diversity initiatives.

Under Executive Officer Reports, President Dunn provided his system report to the Board. The President reported that the University was tracking more than 150 bills. He noted several of interest to the University as follows: HB 170/4639 – procurement in higher education; HB 4292/4297/SB 2356 – research animals in higher education; SB 2170 – administrative reduction; and SB 2790/2824 – SIU bills for property sales and alcohol sales. The President introduced Executive Director for Governmental and Public Affairs John Charles. Mr. Charles provided more detail for the aforementioned bills in progress. The two bills regarding procurement would re-enact some of the procurement exemptions that had been lost. Over a period of years, requirements had been added for protection, oversight and safety for the purchasing process; however, those additions had made difficult the procurement of fairly simple low cost items. The next three bills touch the University to a smaller degree but it is of interest because of potential research. The bills propose that a publicly funded institution performing research involving dogs or cats would be required that at the end of the research study the animals be placed for adoption. The next bill would require the University before it raises tuition, to undertake a 25 percent reduction in its administrative cost, but did not define administrative. The last two bills were initiated by SIU. The first bill would allow the Board of Trustees the ability to authorize the sale of alcohol at public events. Other public universities in the state have been granted this authority by the General Assembly, including: University of Illinois, Chicago State University, Northern Illinois University, and Illinois State University. The last bill would allow the University to sell surplus property and use the money for student scholarships.

President Dunn noted that news stories were circulating that administrative costs were to blame for the decline of Illinois public higher education. He pointed out that SIU administrative staffing ratios were the smallest in the state in terms of number of administrators compared to staff as a whole for comprehensive institutions, the research sector, and for the system. The President reviewed budget discussions held with the Board on the prior day that the announced 25 percent level of cuts would be necessary in the event that the Governor's proposed budget for FY-17 goes forward. Additional reductions would not be sought unless there is no spending plan, no enacted budget, as the University works through the rest of the fiscal year.

The President further reviewed that all Illinois public institutions were asked to provide information to the Higher Learning Commission (HLC) which works on behalf of the U. S. Department of Education to determine that the universities have authority to provide federal financial aid. The HLC requested plans specific to each campus about sustainability and viability going forward during the period of time without a state budget. SIU Carbondale and Edwardsville campuses provided such plans, and the accreditors found the University had provided the answers necessary to its questions for the University to move forward. Dr. Dunn expressed appreciation to the staff of the Vice President for Academic Affairs Office and Provosts' Offices for their coordination of work for the effort.

Dean of the SIU Edwardsville School of Pharmacy and Search Committee Chair Gireesh Gupchup was introduced by President Dunn to provide an update on the SIU Edwardsville Chancellor search. Dr. Gupchup introduced two members of the Witt/Kieffer Search Firm in attendance at the day's meeting. He reported 65 applicants

and 42 nominations had been received to date. He stated that the search committee would meet later in the day with the search consultants to review and discuss applications and determine a list of semifinalists for interviews which are anticipated to occur during the first week in April. Finalist interviews are planned to be held on campus before the end of the semester. At that point the committee will prepare a report for President Dunn. President Dunn added that he would sit with the committee as the finalists are reviewed.

Dean and Provost of the SIU School of Medicine Jerry Kruse was introduced by President Dunn to provide the Board an update. Dr. Kruse spoke of residency programs and fellowships that graduates of medical school undertake to learn their specialty and become board certified. From the time a medical student finishes high school to practice time is a minimum of 11 years and up to 17 years. Graduate medical education residencies and fellowships salaries are paid by hospitals. Dr. Kruse went on to discuss how sponsoring hospitals have funded residencies above their cap and recently St. John's Hospital in Springfield requested a reduction in the number of residency spots they sponsored. The Dean reviewed efforts made to make those reductions to accommodate the hospital's request. He reported that there is some enthusiasm from some other organizations and some other sources to help fund these spots.

President Dunn provided review of recent action on the federal level. In mid- December a Fiscal Year 2016 appropriations bill was passed by the House and Senate. He noted the University has thousands of students receiving Pell grants and that cap went up. The TRIO programs had funding established or increased that supports underserved students in school or those preparing to attend college. He noted that

research funding in some areas went forward. Dr. Dunn reported that the FY 2017 budget proposed by President Obama in February is favorable for higher education and is student friendly. Pell grants without having to set a cap every year in inflation protection and the President's free community college program proposal is included. In closing, President Dunn noted the fact that when Moody's analytics did their 2016 State of Illinois economic forecast, SIU was explicitly named as a school that is critical to the downstate economy.

Dr. Bradley Colwell, Interim Chancellor, SIU Carbondale, provided highlights of activity at the campus. Dr. Colwell spoke about his first 175 days as Chancellor. He informed the Board that he had participated in more than 160 different events external to strategic operations. He spoke of various meetings with faculty, faculty senate, deans, department groups and others to continue communication throughout campus. He has started working with high schools and community college leaders to foster a good recruiting relationship.

Chancellor Colwell provided some of the steps taken to manage the year without state appropriations. Significant reductions have been made for the current year in the amount of 6.4 percent or \$13.5 million. He informed the Board that the campus is preparing for a 20 percent cut in funding for FY17 which would be approximately \$22.5 million for the SIUC Campus. He noted that while the campus is preparing for cuts, staff are doing everything they can to inform the public that the University is here to stay. SIU Carbondale has begun planning for the 150 year anniversary in 2019, as well as for the eclipse event in 2017.

The Chancellor spoke of some student highlights. Junior Tia Rinehart is one of five students chosen for the Scripps Howard Foundation Semester in Washington program. The women's basketball team had three members earn Missouri Valley Conference recognition as scholar-athletes. He reported that more than 400 high-achieving students were on campus to compete for the top Chancellor's and University Excellence Scholarships, and offers have been made. The Alumni Association awarded textbooks and supplies valued at almost \$20,000 to 38 students. Furthermore, SIU Carbondale finished runner-up in the year's National Championship of Debate.

Chancellor Colwell highlighted faculty achievements. Paul Chugh was named the Professor of Mining and Mineral Resources Engineering Fellow. Gretchen Dabbs of anthropology recently earned fellow status in the American Academy of Forensic Sciences. Dr. Michael Neumeister, chair of the Department of Surgery, received the Mayor's Medical Innovation Award. Marcus Odom of accountancy was named the 2016 Outstanding Educator by the Illinois CPA Society Board of Directors.

Chancellor Colwell provided highlights on various campus programs. SIU Carbondale earned the designation as a Tree Campus USA. For the third consecutive year, *U.S. News & World Report* ranked the online MBA program as one of the best online graduate programs in the nation. *U.S. News & World Report* also ranked SIU Carbondale's technical/vocational education and rehabilitation counseling as fourth in the nation. University Communications and Marketing won a number of national awards for their work by the higher education marketing report. Dr. Colwell spoke of two initiatives as follows: (1) the Innovation and Sustainability Hub to be housed in the Student Center in the old Starbuck's location, and (2) the Basement Pantry, which is a food pantry

planned for undergraduate and graduate students. Lastly, the Chancellor noted that Tom Vilsack, Secretary of Agriculture, was hosted by the Paul Simon Public Policy Institute.

Dr. Stephen Hansen, Interim Chancellor, SIU Edwardsville, provided highlights of activity at the campus. He spoke of changes implemented to navigate through the current fiscal crisis and lay the groundwork for the new Chancellor coming on July 1, 2016. Edwardsville began with a 9 percent realignment to give the University a 20 percent reduction. The Chancellor recalled that a congress composed of different constituency groups was convened to set priorities and direction for the University. The congress reviewed ways to grow online and residential enrollment, develop new revenue, develop a new budget system, set program priorities, and strengthen the curriculum and courses for the University.

Chancellor Hansen spoke of enrollment numbers for the University. In spring 2016 the enrollment reached 13,346, up 168 from spring 2015 and 468 more than in 2014. There were record enrollments for African American and Hispanic students. The enrollment for online or off-campus students increased by 35 percent over spring 2015 and a retention rate for first-time, full-time freshmen of 90 percent. For fall 2016 applications and admits are running ahead of last year. Graduate student and international student enrollments are up, and freshman housing deposits are ahead from last year.

The Chancellor provided a table to show the efficiencies for the University on student enrollment versus growth of faculty and staff. Enrollment for SIU Edwardsville has grown 32 percent over the last fifteen years and the teaching staff has grown by 22 percent but the support staff has grown by 10 percent. He displayed a comparison from

the Illinois Board of Higher Education data showing that SIU Edwardsville is the best public university in the state per the administrator to student ratio, with only one administrator to every 138.5 full time equivalent (FTE) students and noted SIUC was second.

Chancellor Hansen shared that the Eugene B. Redmond Learning Center won the Arcus People's Choice Award which is chosen regionally. The School of Nursing made a large jump, placing 76th in the *U.S. News & World Report* Best Online Programs for 2016. The School of Pharmacy class of 2015 had a pass rate for its boards that made it number one in Illinois and Missouri. The University has received a NASA award of \$11.5 million to expand citizen science education through CosmoQuest, a virtual research facility. In addition, SIU Edwardsville has received a \$4 million bequest for the School of Business.

Chair Thomas explained the procedures for the public comment and question portion of the Board's agenda.

Executive Secretary Whittington reported that no persons expressed interest to speak.

Chair Thomas explained the procedure for the Board's omnibus motion. The listing of items proposed for the omnibus motion were as follows:

PROJECT AND BUDGET APPROVAL:
DEMOLITION OF VARIOUS UNIVERSITY STRUCTURES,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for the demolition of various University structures. These structures include Washington Square buildings A1, A2, B, C, and D; Art and Design Solar House; MCMA Broadcasting Services; University Relations (Women's Studies); Quonset Building T-29; and Poultry Center Research. Estimated cost for this project is \$600,000. This matter also seeks approval to change the funding source for the demolition of Old Main Replacement I and II (Blue Barracks).

Rationale for Adoption

These structures are currently vacant or in the process of occupant relocation. Over the years these buildings have received only minor renovations and the infrastructure has outlived its useful life. Future use of these buildings would require renovations at a significant cost.

This project will include demolition, asbestos abatement and hazardous material removal and disposal, site material removal, utility disconnects, fill and grading and final seeding. Additional Board approval will be required for the award of contracts. The estimated cost of this project is \$600,000 and the work would be funded by Plant funds.

At the March 22, 2012, meeting of the Board of Trustees, project and budget approval was received for the demolition of the Old Main Replacement I and II at an estimated cost of \$400,000. At that time it was anticipated that the funding source would be the Facilities Maintenance Fee. After a review of funds available for this project, approval is now requested to fund this work with Plant funds. Additional Board approval will be required for the award of contracts.

The Interim Chancellor, SIUC, and the Vice Chancellor for Administration and Finance recommended this item to the President.

Considerations Against Adoption

This project will require phased work and may cause a disruption to the students, faculty, staff and University community in the areas where the work will be conducted.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for the demolition of the following structures: Washington Square buildings A1, A2, B, C, and D; Art and Design Solar House; MCMA Broadcasting Services; University Relations (Women's Studies); Quonset Building T-29; and Poultry Center Research, Carbondale Campus, SIUC, at an estimated cost of \$600,000 be and is hereby approved.

(2) Funding for this work will come from Plant funds available to the University.

(3) Approval for the change of the funding source for the demolition of the Old Main Replacement I and II to Plant funds, Carbondale Campus, SIUC, is hereby approved.

(4) The Board of Trustees hereby authorizes the purchase of goods and services required to complete this project.

(5) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT:
PARKING LOT AND ROADWAY RESURFACING,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks to award the contract for the resurfacing of parking lots 37 and 52 and the Saluki Drive roadway. One bid was received and the award of the contract is now requested.

Rationale for Adoption

At the December 10, 2015, Board of Trustees meeting, the project to resurface parking lots 37 and 52 and Saluki Drive was approved at an estimated cost of \$750,000.

The project will resurface parking lots 37 and 52 which are located on Douglas Drive south of the Engineering complex and southwest of the Arena respectively. It will also resurface Saluki Drive from US Route 51 to the intersection of Douglas Drive.

One bid for this project was received and is shown on the attached bid tab. The work will be funded by the Parking Division and Parking Facilities Replacement and Reserve Fund. The work will be completed during the summer of 2016.

The Interim Chancellor, SIUC, and the Vice Chancellor for Administration and Finance have recommended this matter to the President.

Constituency Involvement

SIUC Traffic and Parking Committee supports the proposed project. The committee, which has constituency representation, consists of members from the Administrative Professional Staff Council, Civil Service Employees Council, Faculty Senate, Graduate Council, Graduate/Professional Student Council, Undergraduate Student Government, Student Center Board, Provost and Vice Chancellor for Academic Affairs, Vice Chancellor for Administration and Finance, Traffic and Parking Appeals Board, and Department of Public Safety.

Considerations Against Adoption

This project will require phased work calling for temporary closures of the parking lots and roadway which may create a potential for inconvenience.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for the General work for resurfacing parking Lot 37 and parking Lot 52 and Saluki Drive, Carbondale Campus, SIUC, be and is hereby awarded to E.T. Simonds Construction Company, Inc., Carbondale, IL, in the amount of \$621,225.73.

(2) Funding for this work will come from the Parking Division and Parking Facilities Replacement and Reserve Fund.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF PURCHASE:
NATURAL GAS SUPPLY AND DELIVERY, SIUC

Summary

This matter seeks approval to enter into a contract to purchase the supply and delivery of natural gas for the Southern Illinois University Carbondale campus. It is estimated that the University will purchase approximately \$7,500,000 of natural gas during the contract period of five year.

Rationale for Adoption

Southern Illinois University Carbondale purchases natural gas to provide heating and cooling to campus facilities. This contract will provide a competitively priced supply and delivery of natural gas.

In accordance with the Procurement Code and SIU Board of Trustees Policies, a Request for Proposal (RFP) was issued. Eleven firms reviewed the request for proposal and two submissions were received. A University committee reviewed and scored the submissions and has identified a vendor that will provide good value. The award recommendation was made based on the review of specific criteria included in the RFP.

This matter seeks to award the contract to Interstate Municipal Gas Agency. Funding for these utilities will come from the Utilities Purchased Services account with costs recovered from the SIUC Utility Expense account and auxiliary areas. The contract includes a termination for convenience clause allowing the University to terminate the contract in whole or in part with 30 days prior written notice.

This matter is recommended for adoption by the Interim Chancellor and Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

University officials are cost conscious to such expenditures.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase of the natural gas supply and delivery be and is hereby awarded to Interstate Municipal Gas Agency, of Auburn, IL, in the estimated amount not to exceed \$7,500,000. The contract will be for the period of five years, running from July 1, 2016, through June 30, 2021.

(2) Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) The purchase will be paid by the SIUC Utilities Purchased Services account with costs recovered from the SIUC Utility Expenses account and auxiliary areas.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

REVISED PROJECT AND BUDGET APPROVAL:
WOODY HALL RENOVATIONS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks revised project and budget approval for renovations to Woody Hall. The revised estimated cost for this project is \$10,590,000.

Rationale for Adoption

At the July 12, 2012, Board of Trustees meeting, project and budget approval was received for the renovations to Woody Hall at an estimated cost of \$5,000,000.

On December 3, 2014, Presidential Approval was received to combine two construction projects already in progress into the Woody Hall renovation project for the purpose of tracking construction costs. These projects included \$1,000,000 for window and door replacements, approved by the BOT on July 12, 2012, and funded from the proceeds of the Series 2014A Certificates of Participation (COPs) that were issued on February 13, 2014, and \$490,000 for the renovations to the Center of International Education initially funded by Plant funds. The combination of these projects into the Woody Hall renovations project increased the total estimated cost to \$6,490,000.

Woody Hall was originally constructed in 1953 as a women's residence hall and was converted to office use in 1968. While there was a change in use only minor renovations have been completed over the past 50 years. If the Board approves the revised project and budget, it is anticipated the building will house Accounting Services, Center for Inclusive Excellence, Center for Undergraduate Research and Creative Activities, Disability Support Services, First Scholars, Human Resources, McNair Scholars Program, Office of Sponsored Projects, Professional Constituencies Offices, Procurement Services, Student Support Services, Upward Bound, and Veteran's Services.

The original project scope focused on the mechanical, electrical, plumbing (MEP) renovations and window replacement. During the design phase of the project, the Administration reevaluated the intended use of the building and decided that the original plans should be revised to install a new elevator in the south wing and make ADA upgrades and health life safety renovations. In addition, it was determined that the project should include the abatement of certain asbestos containing materials (ACM) and improve the building's finishes. The Asbestos Management Plan, directed by the Capital Development Board in 2000, indicated the presence of ACM in the building. In the fifteen years following the completion of the management plan, the regulatory requirements for ACM have expanded. Building components, not previously recognized as ACM, were identified as such during the construction work. The project offers an opportunity to abate over half of the ACM in the building. The removal of the ACM and the relating work to replace the materials will extend the work schedule and will increase the total project cost by an estimated \$2,200,000.

The balance of the requested project budget increase will fund certain room re-configurations, new flooring, some ceiling removal and replacement, new corridor lighting, interior painting, security cameras and access control features.

Funds for the revised project budget have been identified through a reassessment of the current COPs projects. The project for the replacement of the HVAC system at Parkinson Laboratory, estimated at \$4,300,000 and approved by the Board on July 12, 2012, has been put on hold due to the project modification requested by the Administration for Woody Hall. Approximately \$4,100,000 is available for redistribution.

The increased scope of work will be funded from the proceeds of the Series 2014A Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment will be repaid from the Facilities Maintenance Fee.

The Interim Chancellor and the Vice Chancellor for Administration and Finance, SIUC, have recommended this matter to the President.

Considerations Against Adoption

The renovation of Woody Hall has been deemed by the Administration to be a high priority project thereby requiring a funding redistribution of the COPs proceeds originally identified for the work associated with the Parkinson Laboratory HVAC project. The redistribution will cause a deferral of the Parkinson Lab project to a later date. This decision has been discussed with the Department of Geology and the Administration.

This project will require temporary relocation of the occupants of the building during the construction phases. Due to the increased scope and complexity of the work, the completion of this project will extend beyond the original anticipated end date of May 2017.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Revised project and budget approval for renovations to Woody Hall, Carbondale Campus, SIUC, at an estimated cost of \$10,590,000 be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services required to complete this project.

(3) Funding for this work will come from the proceeds of the Series 2014A Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment will be repaid from the Facilities Maintenance Fee.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

REVISED CONTRACT APPROVAL:
ENGINEERING DESIGN CONTRACT, WOODY HALL RENOVATIONS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks approval for a revised contract for the engineering design contract work for the Woody Hall Renovation project as required by 5 Policies of the Board C, 3 b.

Rationale for Adoption

At the July 12, 2012, Board of Trustees meeting, project and budget approval was received for the renovations to Woody Hall at an estimated cost of \$5,000,000. On December 5, 2013, the University entered into a contract with BRiC Partnership, LLC for the design on the Woody Hall Renovations project.

The original project scope focused on the mechanical, electrical and plumbing (MEP) renovations. As the intended use evolved, the project and scope of work increased requiring additional design and construction services.

The revised contract will bring the total award to \$814,019.00. The increased contract amount is within the recommended revised project budget.

The Interim Chancellor, SIUC, and the Vice Chancellor for Administration and Finance have recommended this matter to the President.

Considerations Against Adoption

This project will require temporary relocation of the occupants of the building during the construction phases. Due to the increased scope and complexity of the work, the completion of this project will extend beyond the original anticipated end date of May 2017.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The revised contract with BRiC Partnership, LLC, Belleville, IL, for the engineering design for the Woody Hall Renovations project in the amount of \$814,019.00 be and is hereby approved.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

SUPPLEMENTAL REQUISITION APPROVAL: WINDOW REPLACEMENT CONTRACT, WOODY HALL RENOVATIONS, CARBONDALE CAMPUS, SIUC

Summary

This matter seeks approval for a supplemental requisition for the window replacement contract work at Woody Hall as required by 5 Policies of the Board C, 3 b.

Rationale for Adoption

At the July 12, 2012, Board of Trustees meeting, project and budget approval was received for the renovations to Woody Hall. On May 14, 2015, the Board of Trustees awarded the contract to Universal Glass and Carpet, Inc. for the repair and replacement of the windows at Woody Hall in the amount of \$803,288.

The original design called for the existing window blinds to remain in use. In keeping with the aesthetics of the Student Services Building and the recurring maintenance costs associated with window blinds, the Administration requested that the original window treatments be removed and that tinted glass be installed. In addition to this change, unforeseen conditions were discovered that require repair work for the window sills.

The additional changes will increase the contract award by \$112,758.00, bringing the total award to \$916,046.00. The increased contract amount is within the recommended revised project budget.

The Interim Chancellor, SIUC, and the Vice Chancellor for Administration and Finance have recommended this matter to the President.

Considerations Against Adoption

This project will require temporary relocation of the occupants of the building during the construction phases. Due to the increased scope and complexity of the work, the completion of this project will extend beyond the original anticipated end date of May 2017.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The supplemental requisition for the contract with Universal Glass and Carpet, Inc., Carbondale, IL, in the amount of \$112,758.00 be and is hereby approved.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

NAMING OF KAY BRECHTELSBAUER FIELD, SIUC

Summary

This matter proposes the naming of the softball field at Charlotte West Softball Stadium to the Kay Brechtelsbauer Field with the appropriate display of such a name.

Rationale for Adoption

Upon her retirement, Coach Brechtelsbauer had coached longer and won more games than any individual in the history of women's sports at SIUC. She amassed a 633-438-2 record during 32 years at the helm of Saluki Softball, highlighted by College World Series appearances in 1970, 1971, 1977, 1978 and 1991. She served as the Women's Softball Coach from 1968-99 and earned a spot in the Southern Illinois University Athletics Hall of Fame in 1994. The request to rename the field after Coach Brechtelsbauer originated from donors with naming rights to the field.

Considerations Against Adoption

University officers are aware of none.

Constituency Involvement

SIU Carbondale's Naming Facilities Committee, which is made up of representatives from the various campus constituent groups, met and recommends this matter.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That: the softball field at Charlotte West Stadium be named the Kay Brechtelsbauer Field and that the appropriate signage be displayed to reflect this naming.

BE IT FURTHER RESOLVED, That: the President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF PURCHASE:
MEDICAL OFFICE BUILDING LEASE
SCHOOL OF MEDICINE CAMPUS, SIUC CENTER FOR FAMILY MEDICINE

Summary

This matter seeks approval for the purchasing contract for leased space. The purchase order for the lease is based on the annual lease rate plus operating expenses for a maximum value of the first year contract of \$1,468,674.00.

Rationale for Adoption

Since receiving designation as a federally qualified health center (FQHC) from the Health Services and Resource Administration in October of 2012, the SIUC Center for Family Medicine has seen dramatic increases in its patient base. The FQHC designation allows the Center to provide access and serve Springfield's most vulnerable populations—the uninsured, the under-insured, and patients who are frail, elderly, and /or with disabilities and/ or severe mental illness. The FQHC's patient base has gone from 14,000 patients to over 20,000 since 2012. Patient visits have increased over 30% and are still rising. In order to see more patients, the Center has extended its hours to include evenings, but the facility no longer meets the needs for patient care and student and resident education. The new expansion space being proposed is an additional 30,000 square feet adjacent to the existing building. The new space will provide additional exam rooms and will allow the FQHC to grow from 50,000 visits per year to over 70,000. In addition, the expansion provides space for integrating other services into the healthcare team. These are on-site services and include: behavioral health and psychiatry, dietary and diabetes education, care coordination and community outreach, and access to legal assistance through our Medical-Legal Partnership program.

In addition to patient access and services, the newly designed expansion will allow the Center for Family Medicine to teach residents and medical students in a well-designed facility that is more efficient and patient friendly. The expanded space will also provide the learners the experience of inter disciplinary care, in a federally approved patient center medical home. In addition to medical students and residents, this site also serves as a training site for physician assistants and pharmacy students.

This lease includes a 1.5% annual escalation of rent costs.

This matter is recommended for adoption by the Dean and Provost of the School of Medicine.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase order for leased space, School of Medicine Campus, SIUC, be and is hereby awarded to MHS QALICB, LLC, Springfield, IL, for a five year term with one option to renew for an additional five years.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) The purchase will be funded by School of Medicine funds derived from non-appropriated funds and funds derived from patient revenue sources.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF PURCHASE:
MEDICAL OFFICE BUILDING LEASE
SCHOOL OF MEDICINE CAMPUS, SIUC DIVISION OF UROLOGY

Summary

This matter seeks approval for the purchasing contract for leased space. The purchase order for the lease is based on the annual lease rate maximum value of the first year contract of \$103,647, which includes improvement expenses during the first year of the agreement.

Rationale for Adoption

SIU Healthcare, Division of Urology, located at St. Mary's Hospital in Decatur, IL, is currently leasing space that consists of 4 exam rooms, a shared procedure and sterilization room and a reception/nurse station/lab space, approximately 2,081 square feet.

The need for new space is due to an increase in patient volume. The space will improve functionality and efficiency, and enhance the patient experience. The renovated space of 4,063 square feet, will allow for six exam rooms, a separate lab area with restroom, two separate procedure rooms with a shared restroom area, and a separate sterilization area.

Currently, there is one full-time Decatur Urologist, five Springfield based Urology specialists rotating to Decatur for clinics and one-half time Decatur Urologist starting the summer of 2016. The volume of patients has increased and there is a need for an additional procedure room that is separate from the sterilization area to facilitate the usage of the procedure rooms as well as the efficiency of cleaning equipment. The patient experience will be improved with a restroom connected to the procedure area. The patient lobby is full many times during the week due to the large volumes of patients resulting in standing room only. There are currently four full-time employees at this clinic.

The lease includes a 2% annual escalation of rental costs.

This matter is recommended for adoption by the Dean and Provost of the School of Medicine.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase order for leased space, School of Medicine Campus, SIUC, be and is hereby awarded to ,St. Mary's Hospital, Decatur, IL, for a five year term with one option to renew for an additional five years.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) The purchase will be funded by School of Medicine non-appropriated funds and patient revenue sources.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

RECOMMENDATION FOR HONORARY DEGREE, SIUC

Summary

The President, on the recommendation of the SIUC Interim Chancellor, requests Board of Trustees approval to bestow the Honorary Degree, Doctor of Humane Arts, on Howard A. Peters, III, at the December 2016 SIUC commencement.

Rationale for Adoption

Howard A. Peters, III, has had an amazing journey—from the public housing projects of Memphis to a graduate degree at SIU Carbondale and then to the highest reaches of Illinois government. His life offers a compelling story that should inspire all of us, especially young African-Americans on the SIUC campus and throughout the state and the nation.

In 1991, Mr. Peters became the first African-American to head the Illinois Department of Corrections. In 1997, Governor Edgar selected Mr. Peters as the first person to lead the new Department of Human Services. In that profoundly challenging role, Secretary Peters had the charge of meshing several different bureaucracies and directing 20,000 employees while serving as the point person for implementation of welfare reform – as well as providing better coordinated and more effective delivery of services to families and individuals struggling with mental health and disability challenges. Under his effective, thoughtful and sensitive leadership, the state became an award-winning model for the nation in providing day care services, education and job counseling to help welfare recipients gain independence. In recognition of his capable leadership, Governor Ryan asked Mr. Peters to remain at the helm of this vital agency, the largest in state government, to build on the progress in responding to the truly needy among Illinois citizens.

Mr. Peters' record of achievement is particularly outstanding given the circumstances of his early years. He was raised primarily by his mother and grandmother in a Memphis, Tenn., public housing project – an environment that too often discourages young people from realizing their potential. Thanks to the love and strong guidance of his family and the intervention of a dedicated teacher in elementary school, he was put on the path to success.

Mr. Peters earned a bachelor's degree in political science from Tennessee State University and a master's degree in guidance and educational psychology from SIU. He then embarked on a career of public service that included two Cabinet positions and intervening service as the deputy chief of staff to Governor Edgar. He and his wife, Beverly, have parented two children – one who graduated from the SIU School of Law and the other who graduated from Harvard University and achieved an advanced degree at Stanford University.

Upon his retirement from state government, Mr. Peters served as senior vice president of the Illinois Hospital & Health Systems Association, where he was deeply involved in issues related to adequate health care services for Medicaid recipients. He is currently a member of the Board of Directors of Memorial Hospital in Springfield and the advisory board for the Edgar Fellows Program at the University of Illinois.

Mr. Peters has made numerous appearances on the Carbondale campus. He delivered the commencement speech at the School of Law in the spring of 2001. At the invitation of Senator Paul Simon, founding director of the university's public policy institute, Mr. Peters gave a major speech at a symposium on alternatives to incarceration. He is the recipient of the 2004 SIU Distinguished Service Award.

Considerations Against Adoption

University officials are aware of none.

Constituency Involvement

Mr. Peters' nomination was reviewed by SIUC's Committee for Honorary Degrees and Distinguished Service Awards. The Interim Chancellor of Southern Illinois University Carbondale recommends this matter to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That: the Honorary Degree, Doctor of Humane Arts, be presented to Howard A. Peters, III, at the December 2016 commencement, or some commencement thereafter, of Southern Illinois University Carbondale.

APPROVAL OF SALARY AND APPOINTMENT OF HEAD FOOTBALL COACH, SIUC

Summary

This matter presents for approval the salary and appointment of Nick Hill as Head Football Coach, SIUC.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary and appointment of professional staff who have a proposed salary of \$150,000 or more. This request follows a national search in which four qualified candidates were interviewed.

Nick Hill is a native of Du Quoin, Illinois, who was one of the most prolific passers in school history during two seasons as SIU's starting quarterback in 2006-2007.

He recorded a 21-6 record as a starter and set single-season school records for passing yards and total offense in 2007.

After graduating from SIU Carbondale in 2008, Hill played six seasons of professional football, including stints in the Arena Football League as well as in the National Football League under free agent contracts with the Chicago Bears and Green Bay Packers.

Hill began his coaching career in 2013 as head coach at Carbondale Community High School. In his only season with the Terriers, he guided the program to an Illinois High School Association playoff berth.

Hill joined Southern's staff in 2014 as the program's quarterbacks coach. In his first season, Saluki quarterbacks broke a school record for single-season touchdown passes with 29. He was promoted to offensive coordinator in 2015 and completely overhauled the team's offense, which averaged 498 yards per game, the second most in conference history. Under Hill's guidance, the 2015 SIU offense led the conference and ranked in the top 11 nationally in total offense, scoring offense and passing offense.

Constituency Involvement

The Athletic Director led an advisory group consisting of campus and community representatives in a national search.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That: Nick Hill is appointed to the position of Head Football Coach, SIUC, with an annual salary of \$175,000, effective December 23, 2015.

PROJECT AND BUDGET APPROVAL: ENGINEERING BUILDING STUDENT PROJECT DESIGN CENTER AND RELATED REMOVAL OF PARKING SPACES, SIUE

Summary

This matter seeks project and budget approval to construct an addition to the Engineering Building in order to accommodate student shop space for special projects and to respond to continued growth in the School of Engineering. The estimated cost of the project is \$4,890,000 and will be funded from private donations and University Plant funds. This matter also seeks approval to remove five parking spaces from the Revenue Bond System in preparation for the construction of the addition.

Rationale for Adoption

On November 8, 2012, the SIU Board of Trustees approved planning authority for the capital project, Engineering Building Student Project Design and Fabrication Workshop Expansion, SIUE. The project will build a new two-story Student Project Design Center onto the existing Engineering Building. The addition would include workshop space for engineering students' design teams working on various projects used in academic competitions. Activities in the space would include the design and fabrication of competition autos such as Baja, formula, and solar, and structures from steel, concrete, and other materials. The space will also be used for capstone senior design projects that require design, fabrication, and assembly. The senior design projects are team projects and must be completed as part of the graduation requirement.

The project will require the renovation of existing space where the addition connects to the existing building. The second floor space to accommodate enrollment growth in the School of Engineering will be completed as a separate future project as funds become available. The renovated space and the second floor space will allow for additional faculty offices and laboratory spaces for future faculty anticipated as a result of the recent and projected growth. The lack of dedicated design and fabrication space for senior design projects and competition teams was expressed as a concern during the 2015 accreditation visit for the School of Engineering.

The project is expected to be funded from private donations (\$1,444,000) and University Plant funds (\$3,446,000).

In preparation for the Student Project Design Center, five parking spaces need to be demolished to make way for the expansion, thus removing the spaces from the Revenue Bond System. The Housing and Auxiliary Facilities System Revenue Bond Resolution requires SIU Board of Trustees approval to remove an asset from the Revenue Bond System. University officials have determined that the space occupied by the five parking spaces would best suit the needs of students if converted to use for the Engineering Building Student Project Design Center. The value of the removed parking spaces is approximately \$7,500. The demolition cost is included in the project budget.

The Interim Chancellor, the Interim Provost and Vice Chancellor for Academic Affairs, the Vice Chancellor for Administration, and the Vice Chancellor for University Advancement, SIUE, have recommended this matter to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The capital improvement project, Engineering Building Student Project Design Center, SIUE, be and is hereby approved at an estimated cost of \$4,890,000

(2) The project shall be funded from private donations and University Plant funds.

(3) In accordance with Section 12(A) of the Housing and Auxiliary Facilities System Revenue Bond Resolution adopted by the Board of Trustees on August 29, 1984, as supplemented and amended, the Board hereby determines that five parking spaces located in Lot E, shall be removed from the Revenue Bond System since the spaces are no longer suitable for the use for which they were initially acquired.

(4) The Executive Secretary is directed to file a copy of this resolution with the Treasurer of the Board in accordance with the Section 12(A) of the Housing and Auxiliary Facilities System Revenue Bond Resolution.

(5) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

The project would repair exterior concrete stairs for several buildings as well as select areas of pavement and stormwater structures in the core of the Edwardsville campus. The stairs and pavement have failed beyond repair. The approved budget for the project is \$520,000 and will be funded from University Plant funds.

The bids received for the project are favorable and the award of contract is now requested. A summary of bids received is attached for review. The Interim Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to the pedestrians at various locations on campus. The work is planned to be accomplished at these locations during the summer, at which time students and employees will be directed around the construction areas.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

AWARD OF CONTRACT: STRATTON QUADRANGLE BRICK REPLACEMENT, SIUE

Summary

This matter seeks award of a contract in the amount of \$961,000 to remove and replace the damaged brick pavers in the Stratton Quadrangle on the Edwardsville campus.

Rationale for Adoption

On December 10, 2015, the SIU Board of Trustees approved the project and budget for Stratton Quadrangle Brick Replacement, SIUE. The project would replace the deteriorating and heaving bricks on the Quadrangle on the Edwardsville campus. Due to weathering wear and small animal tunneling, the bricks are in need of replacement. The design includes replacing the existing brick pavers and sand base with a permeable brick paver system. The existing seating and large planters will be retained. The approved budget for the project is \$1,100,000 and will be funded by the Facilities Fee.

The bids received for the project are favorable and the award of a contract is now requested. A summary of bids received is attached for review. The Interim Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to the pedestrian walkway across the center of campus. The work is planned to be accomplished during the summer, and the students and employees will be directed around the construction site.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract to perform construction work required for the capital improvement project, Stratton Quadrangle Brick Replacement, SIUE, be and is hereby awarded to Impact Strategies Inc., Fairview Heights, IL in the amount of \$961,000.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACTS: WOODLAND HALL ROOF REPLACEMENT, SIUE

Summary

This matter seeks award of contracts in the amount of \$877,100 to replace the roof on Woodland Residence Hall on the Edwardsville campus.

Rationale for Adoption

On September 10, 2015, the SIU Board of Trustees approved the project and budget for Woodland Hall Roof Replacement, SIUE. The project would replace the 20 year old roof that is nearing the end of its life expectancy and warranty time. The scope of work in this project includes: replace approximately 41,500 square feet of roofing; replace existing drains and add secondary overflow drains; replace the roof and ductwork insulation; install taller equipment curbs; and replace coping and parapet flashing. Work is required during the summer months in order to minimize disruptions in student housing. The approved budget for the project is \$1,531,000 and will be funded from SIUE Housing Repair and Replacement Reserves (RRR) funds.

The bids received for the project are favorable and the award of contracts is now requested. A summary of bids received is attached for review. The Interim Chancellor, the Vice Chancellor for Student Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

This project would reduce the amount of reserves set aside for other Housing projects and displace other projects from being completed at this time. The roof replacement remains the highest priority.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contracts to perform construction work required for the capital improvement project, Woodland Hall Roof Replacement, SIUE, be and are hereby awarded to the following:

APPROVAL OF SALARY AND APPOINTMENT OF ASSOCIATE DEAN FOR
RESEARCH AND GRADUATE STUDIES, SIUE

Summary

This matter presents for approval the change in title from Associate Dean of the Graduate School to Associate Dean for Research and Graduate Studies and the related salary increase at the Edwardsville campus.

Rationale for Adoption

Policies of the Board require approval to increase the salary and appointment of all professional staff to \$150,000 or more. This request is to recognize the expanded responsibilities of the position in research administration and ethical compliance, and expanded role in graduate studies. With departures of the previous Associate Dean of Graduate Studies and previous Associate Dean of Research, the positions were combined to improve effectiveness of operations and increase opportunities for innovations thru connecting graduate studies to the institutional mission of research and scholarship. SIUE is fortunate to have a highly qualified and respected incumbent who has successfully served the Office of Research and Projects since 2012 and Graduate Studies since 2013. The Interim Chancellor and the Interim Provost and Vice Chancellor for Academic Affairs, SIUE, have recommended this matter to the President.

Constituency Involvement

All appropriate University and System administrators were involved in this decision.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That: Dr. Susan Morgan is appointed to the position of Associate Dean for Research and Graduate Studies with an annual salary of \$ 157,347 effective April 1, 2016.

PROPOSED TUITION RATES AND FEE MATTERS, SIUC
[AMENDMENT TO 4 POLICIES OF THE BOARD APPENDIX A]

Summary

This matter proposes changes to the previously approved tuition schedule and various fee matters.

Rationale for Adoption – Tuition

Undergraduate and Graduate Student Tuition Rates

Southern Illinois University Carbondale is a leader in delivering a diverse, high quality educational experience to its students at an affordable price, while also maintaining its place as a nationally ranked research institution. It remains the intent of the Board and University administration to continue with that policy and to honor the tradition of providing an accessible education regardless of financial need or other economic barriers.

Proposed tuition rates for undergraduates, graduate students, physician assistant students, and for students enrolled in the professional schools of Law and Medicine are shown in Table 1. The proposed rates, which include an increase of 3% in Undergraduate tuition rates, are needed to fund additional cost obligations of the University. Without this additional funding, the quality of educational opportunities for students would be diminished.

Accordingly, the University hereby proposes changes for FY 2017 tuition as outlined in Table 1.

Alternate Tuition Rate for Active Duty Military

The University seeks to amend the Alternate Tuition Rate for Active Duty Military. As originally approved this alternate tuition only applied to active duty military taking courses at a military base through the University's Distance Learning and Off-Campus program. The University proposes expanding this alternate tuition program by eliminating the restriction that the student be taking courses at a military base. The University seeks to honor active duty military service members in all branches and including Active Guard and Reserve (AGR) and Guard and Reserve members called to Active Duty, by extending to them an alternate tuition rate equal to the maximum benefit provided to them under the Department of Defense's Military Tuition Assistance Program. The current maximum allowable tuition under the Department of Defense's program is \$250 per credit hour. Students in this program will continue to pay the appropriate on- or off-campus program fees. The alternate tuition rate will not be applicable to the professional schools and certain other programs, as noted in Table 2.

Rationale for Adoption – Mandatory Student Fees

Student Medical Benefit: Student Insurance Fee

The University proposes a \$40.00 increase in the Student Medical Benefit (SMB) Student Insurance Fee for a proposed rate of \$625.00 per Fall and Spring Semesters respectively and a \$13.00 increase for a proposed rate of \$231.00 for Summer, effective with the collection of fees for Fall Semester 2016. The proposed increase represents a 7% annual increase in the Student Insurance Fee, as listed in Table 3. This proposed rate includes subsidizing the annual premium with \$700,000 from the Reserve for FY17. The decision to subsidize the quoted premium for future years will be dependent upon available uncommitted funds in the Reserve.

The proposed Student Insurance Fee allows for the continuation of the commercially insured program of external medical and hospitalization coverage that is fully compliant with the Affordable Care Act (ACA). The Student Medical Insurance Plan provides students with comprehensive health coverage at affordable low-cost rates. In accordance with current policy, students who have their own comparable health insurance coverage may apply for a refund of the Student Insurance Fee.

The University solicited proposals in FY15 from vendors for an ACA compliant fully-insured program. The committee recommended a vendor based upon the most comprehensive plan and the most realistic pricing submitted. The proposed Student Insurance Fee is based on previous claims history, plan enrollment, and medical inflation.

Without the fee increase, the student insurance plan will be dissolved and students will not have coverage offered through the University. This will negatively impact recruitment and retention. The majority of SIUC students rely on the Student Medical Insurance Plan as their sole source of health insurance coverage. Of the approximately 8,000 students covered by the Student Medical Insurance Plan, over 80% have no other insurance coverage beyond the Student Plan.

The proposed Student Insurance Fee will provide year-round health insurance benefits to SIUC students for an average of \$104.00 per month in FY 2017.

Rationale for Adoption – Course Fees

Aviation Flight

The University proposes an increase in the fees for flight training courses offered by the Aviation Flight (AF) program for Fiscal Year 2017 and thereafter, as shown in Table 4. The overall increase for all AF courses for FY17 will be 4.51%.

The operation, maintenance, refurbishment, and replacement of existing flight training aircraft and the acquisition of new flight training aircraft and simulators are supported by student-paid flight fees. Annual flight fee increases are necessary to offset cost increases that might occur in such areas as personnel and direct instructional costs,

student wages, insurance, fuel, aircraft and engine maintenance, engine/aircraft purchases, and necessary upgrades to the existing aircraft and other equipment needs.

Planning an upgrade of the current fleet with advanced equipment to remain in compliance with FAA requirements and the need to explore the lease or purchase of new aircraft also contributes to the increase in fees. The program currently has more than 20 flight training aircraft which average over 30 years of age making the focus on fleet upgrades a high priority. This need was underscored by a recent Aviation Accreditation Board International (AABI) re-accreditation visit for the program as well as the recommendation from an independent analysis of the program conducted earlier this year which was led by a group of external industry leaders assisted by program staff. In addition, engine replacement and aircraft maintenance costs will increase substantially, with an anticipated increase of as much as 20% in FY17, as replacement engines for 20 of the program's existing 36 aircraft could be needed.

Required courses in the AAS in Aviation Flight, which takes five semesters to complete, include AF 201A, 201B, 203, 204, 206A, 206B, 207A and 207B. The cost for these courses was \$70,324 in FY16. The program is anticipating these same courses to cost approximately \$74,147 in FY17, an increase of 5.44%.

The proposed flight fee increases were developed by program faculty and administration after a thorough review of operational costs and an analysis of costs and fees charged by comparable flight programs at other institutions.

Rationale for Adoption – Housing and Meal Plan Rates

Housing and Meal Plan

The University seeks rate increases in residence halls effective Summer Session 2016 and apartment rentals effective July 1, 2016, as shown in Table 5. The proposed effective rate increase for combined funded debt areas is 1.89% overall. Proposed rates for residence hall rooms and the dining plan include one rate for all residence hall double rooms regardless of residential area. Proposed rates include the Saluki Anytime Dining plan. Apartment housing increases are proposed at 1.91%.

The proposed occupancy rate increases will allow for continued investment in on-campus housing facilities. Planned FY 2017 capital and building projects include the following:

- Continued plumbing upgrades, including:
 - Shower replacement at University Hall
 - Shower replacement at Abbott Hall and Felts Hall
 - Schneider Hall hot water tank replacement
- Replacement of balcony handrails at Evergreen Terrace
- Replace Baldwin Hall floor tile
- Replace Kellogg Hall roof
- Thompson Point sewer main upgrade

- Continuous maintenance and improvement projects throughout the residence halls; replacement of furniture, carpeting and painting of rooms, hallways and public areas; security camera upgrades

In addition, the proposed FY 2017 occupancy rate increases will provide funds to offset inflationary cost increases including, but not limited to, escalating utility and food costs and other general inflationary costs for goods and services. Without the fee increase, repairs and renovations to aging housing facilities will not be possible.

Considerations Against Adoption

University officers are concerned that increasing costs to our students may affect access to the University. The University has been sensitive to these concerns in preparing the proposed increases.

Constituency Involvement

The appropriate constituency advisory board, Undergraduate Student Government and Graduate and Professional Student Council have approved the proposed increases.

Resolutions

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That: 4 Policies of the Board Appendix A be amended as follows:

- (1) The FY 2017 rates for tuition be amended, as presented in Table 1.
- (2) Alternate Tuition Program policies shall be and are hereby changed, as presented in Table 2.
- (3) General student fees effective for Fall Semester 2016 shall be and are hereby changed, as presented in Table 3.
- (4) Flight training course fees effective for Fall Semester 2016 shall be and are hereby changed, as presented in Table 4.
- (5) University Housing rents and charges effective for Fall Semester 2016 shall be and are hereby changed, as presented in Table 5.

BE IT FURTHER RESOLVED, That: the President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF AMENDMENTS TO BOARD LEGISLATION, FIRST-PROFESSIONAL SCHOOLS REPORTING LINES

Summary

Upon approval by the Board of Trustees on December 10, 2015 to change the reporting lines for SIU's First-Professional Schools, it was anticipated that certain amendments to Board Legislation would be necessary to effectuate the Board's action. An informal working group of eight individuals representing the three campuses, including the General Counsel, was convened by Acting Vice President for Academic Affairs Jim Allen and charged with a review of all Legislation in light of the new reporting line relationships.

The working group undertook a focused, selective approach to its work to make those changes necessary to validate current operating practices—as opposed to trying to anticipate every circumstance that may arise in the future. Further revisions can and should be made as needed, and may be included as part of a more comprehensive review of all Board Legislation at some future point.

This Board matter shall provide the required Notice of Intent for amendment under Article V, Section 6 of the *Bylaws of the SIU Board of Trustees*.

Rationale for Adoption

The recommended changes are of four types: 1) editorial revisions, especially where Board Legislation makes reference to the first-professional schools as a group with equal administrative standing; 2) references to concurrent responsibilities for the SIU President and the SIUC Chancellor in dual reporting of the Dean and Provost of the SIU School of Medicine; 3) clarification of the SIU President and SIUC Chancellor roles in hiring, evaluating, and terminating the Dean and Provost of the SIU School of Medicine; and 4) the new academic duties of the deans and provosts, given certain responsibilities of the chief academic officer on each campus which have been assigned and need to be clarified.

Considerations Against Adoption

These amendments to Board Legislation do not provide any major adjustments or changes aimed at redefining fundamental relationships between the system and the campuses—the amendments presented are limited instead to clarifying administrative responsibilities as presently understood. Further revisions may be necessary in the future.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Board Legislation as attached shall be amended and hereby approved.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to take whatever actions may be required to incorporate the changes to Board Legislation.

Article II

Section 5. Evaluation of the President and the Chancellors

It is the policy of the Board of Trustees that the performance of the president and the chancellors be individually evaluated on an annual basis. These evaluations provide 1) a means by which the incumbents may review their own performances; 2) a procedure to establish new, short- and long-term position-based performance goals for the ensuing months and years; and 3) an opportunity to receive comments and ideas as to possible ways in which the management and planning functions of Southern Illinois University and SIUC and SIUE might be improved.

1. Review of the President

- a. The performance of the president shall be reviewed annually by the Board in an individual session with the president at a time designated by the Board chair.
- b. The review of the president shall be based upon a statement of individual performance goals and objectives for the year of evaluation which were formulated by the president and agreed upon by the Board. In advance of the review session with the Board, the president shall submit a statement detailing the goals and objectives previously agreed upon, along with a description of progress to date toward achieving those goals and objectives. Additional material may be submitted at the discretion of the president or at the request of the Board.
- c. In preparation for the coming year, the president shall submit to the Board at the evaluation session a statement of the principal issues presently confronting the university and a revision of the previous year's individual performance goals and objectives in response to those issues. The evaluation of present performance will form the basis for discussion between the Board and the president of the revised goals statement and the connection to the future direction to the university. The outcome of this process should be a set of goals and objectives for the president constituting a performance plan for the coming year which have been agreed upon by the president and Board of Trustees.

2. Review of the Chancellors

- a. The performance of each chancellor shall be reviewed annually by the president at a time designated by the president.
- b. The review of a chancellor shall be based upon a statement of individual performance goals and objectives for the year of evaluation which were previously formulated by the chancellor and agreed upon by the president. In advance of the review session with the president, the chancellor shall submit a

statement detailing the goals and objectives previously agreed upon, along with a description of progress to date toward achieving those goals and objectives. Additional material may be submitted at the discretion of the chancellor or at the request of the president.

- c. After the results of the annual review have been separately shared with each chancellor, the president shall review with the Board the results of the chancellors' annual reviews.
- d. In preparation for the coming year, a chancellor shall submit to the president at the evaluation session a statement of the principal issues presently confronting the campus and a revision of the previous year's individual performance goals and objectives in connection with those issues. The evaluation of present performance will form the basis for discussion between the president and the chancellor of the revised goals statement and the connection to the future direction of the campus. The outcome of this process will be a set of goals and objectives for the chancellor constituting a performance plan for the coming year which have been agreed upon by the president and the chancellor.
- e. The annual review of the medical school dean and provost shall be conducted by the president, with the input and consultation of the SIUC Chancellor.

3 . The Annual Performance Plan

The president and the chancellors shall prepare an annual performance plan including goals statements identifying objectives they hope to attain during the coming year, with an implementation schedule. The objectives should be stated very briefly, with the understanding that they may be elaborated upon during evaluation sessions. The implementation schedule should include a very brief statement as to what action will be taken during the period in question for a particular objective and when that action is expected to take place.

4. Triennial Review of the President and Chancellors

In lieu of the annual performance evaluation of the president and chancellors, during every third year of their employment the president and chancellors shall undergo a triennial review. The nature of this evaluation shall ensure multi-source feedback including the collection of information from peers, both internal and external; faculty and staff, including direct subordinates; students and their representative organizations; members of external constituencies, including governmental and professional organizations; and other groups whose appraisal could be informative.

The approach to the triennial review should be that of a "360-degree" assessment of performance, involving multiple contributors at multiple levels in addition to a self-assessment component. As well, information may be gathered in a variety of ways, including but not limited to surveys, ratings, interviews, the annual performance plan,

and the like. Additional documentary material for review may also be submitted by and at the discretion of the president and the chancellors.

In the case of the president, the Board chair shall timely appoint a committee to be chaired by a Trustee, and with additional Trustee representation, to oversee and conduct the triennial review. In the case of the chancellors, the president shall appoint such a committee to include Trustee representation. While a specific approach or plan for each review should be determined by the committee, and in consultation with the president or chancellor being evaluated in this manner, all processes utilized as part of the triennial review should conform with relevant guidance available from the United States Office of Personnel Management (e.g., 360-Degree Assessment: An Overview).

Findings and outcomes of the triennial review shall be provided in a written narrative report completed within the same general timeframe as required for the annual evaluation and reviewed with the president by the Board chair, and by the president in the case of chancellors. Results of all triennial reviews shall be reviewed with the Board.

The annual performance plan for the coming year shall still be prepared by the president and the chancellors during that year in which the triennial review takes place. (04/16/15)

*Article II**Section 6. Executive Officer Compensation*

1. The Board shall establish annually the compensation for the president.
2. The Board, after receiving the recommendation of the president, shall establish the annual compensation for the chancellors and the medical school dean and provost.
3. It is inherent in the positions of president and chancellor that they be conveniently available at any hour and that official, ceremonial, and social functions will often be performed at their homes. It is therefore for the convenience of the Board that such officers occupy homes which are adequate for such functions and conveniently located. Each of these officers should have a motor vehicle available at all times, and it shall therefore be the policy of the Board to provide the same to the aforesaid executive officers, in whole or in part and in kind or by cash allowance as may be appropriate in the individual case. Such arrangements shall be proposed by the president through the Finance Committee for each chancellor, and for the president shall originate in the Finance Committee with the assistance of the Board Treasurer. Cash allowances are subject to approval by the full Board. The operation, maintenance, and improvement of housing provided in kind shall be reviewed and approved by the Architecture and Design Committee as it shall direct.

These policies do not apply to individuals holding only restricted term appointments for non-credit activities, under which the appointee is not otherwise employed as a faculty or staff member within any unit of the University and assumes no obligation to perform services for the University except those related to the specific non-credit activity or event for which the restricted term appointment is made. For short term, non-credit activities, the restricted term appointment must be used in lieu of a purchase requisition for services, shall provide no expectation of reappointment and shall in no circumstances exceed three months in length.  - d. Personnel policies requiring the President's approval shall be filed with the President at least two weeks prior to their effective date. Each Chancellor is authorized to develop and approve personnel policies affecting employees under that executive officer's supervisory authority which are not inconsistent with the provisions of this chapter (Chapter 2, Faculty and Staff Service) or with personnel policies approved by the President and which do not otherwise require Board of Trustees or President approval.  2. The Board may recognize a fiscal emergency ranging from a temporary financial crisis to a long-term loss of resources. (3/13/03)
 - a. A short term fiscal emergency is the condition of financial necessity, which results when a decline in financial support is such as to require a reduction within the fiscal year in the personal services budget exceeding that which may be accomplished by attrition or non-renewal of term positions or other such measures after all workable reductions in support and operational costs have been made.
 - b. A long-term fiscal emergency is the condition of financial exigency, which results when an imminent financial crisis will require long-term programmatic reductions and termination of tenured faculty.

 - c. A description of the proposed action.
 - d. An explanation of how the proposed scope and manner of execution of the proposed measures are proportional to the fiscal emergency and will cause the least possible disruption of the educational process and will inflict minimal hardship on employees.
 - e. An indication of how employees will be notified of the measures to be implemented by the proposed action and the method and period of notice to apply before that implementation.
 - f. A specification of the exemptions from the proposed action, if any, which will be required to safeguard the campuses and the conduct of uninterruptible activity if the proposed action is authorized, and an indication that the proposal otherwise has general application across the University employment spectrum, including administrative personnel.

 - h. An indication of how the proposed action will apply to Civil Service employees in terms of established Civil Service Rules and Regulations.
- g. The Board will authorize actions to adjust University operations to the limitations of a declared fiscal emergency.
 1. The Board must be satisfied that all reasonably possible economic measures have been taken before authorizing a reduction in personnel services.
 2. The Board will authorize procedures commensurate with the magnitude of the fiscal emergency. Such procedures may include but are not limited to measures such as invoking a mandatory leave without pay for all employees in a declared financial necessity situation or such measures as long-term programmatic reductions requiring termination of appointment for employees

with and without tenure in a declared financial exigency situation. Such procedures will be open to review and comment by administration and constituency bodies.

3. In a fiscal emergency situation, if budget reductions across-the-board are mandated by the Board, each basic academic or service unit will be involved in distributing its specific program and personnel changes.
 4. In a financial exigency situation, if budget reductions mandated by the Board are to be made programmatically, the administration will involve an appropriate faculty or constituency body in determining where within the overall academic or other program termination of appointments may occur.
 - h. Any actions affecting an institution resulting from a declaration of fiscal emergency shall recognize the personnel policies of that institution so far as they are not in conflict with the fiscal procedures approved to cope with the emergency.
 - i. A declaration of fiscal emergency will be in effect only during the fiscal year for which it is declared.
 - j. Employees who receive notices that their appointments are to be terminated or who are placed into a leave of absence status because of a fiscal emergency shall have the right to appeal through appropriate SIUC or SIUE grievance procedures.
 - k. Pursuant to 2 *Policies* of the Board C.1.c.3), the basic term of faculty appointment remains the academic year, and individual contract renewals which reduce the period of employment to not less than an academic year will continue to be at administrative discretion.

 - a. applicable State and Federal laws;
 - b. policies, regulations, and decisions of the Board of Trustees, and as amended; (3/13/03)
 - c. policies, guidelines, regulations, and decisions promulgated by the President, or Chancellor on his or her respective campus, or the Dean and Provost of SIU School of Medicine or the executive officer to whom the employee reports, as amended. (3/13/03), (3/24/16)
 3. Personnel policies shall adhere to the following standards:
 - a. Publication: Such policies will be regularly published and made available to affected employees and their supervisors.
 - b. Paid absences: Such policies will provide for holidays, vacations for Civil Service and fiscal-year appointees, and leaves.
 1. Paid holidays shall not exceed five, in addition to those prescribed by law, except for emergencies, or as provided in any notice of administrative closure. The executive officers shall designate one of those holidays as the Dr. Martin Luther King, Jr. holiday, and individually determine designations for the others. In lieu of the

days of paid leave for faculty and staff which may be authorized during the period of December 26 through December 31 pursuant to 2 Policies of the Board C-3-b-4, the Chancellor of Southern Illinois University Carbondale may declare up to two additional designated holidays for Civil Service and fiscal year appointees of the School of Medicine-Springfield and its satellite clinical operations. Paid holidays and designated holidays for Civil Service and fiscal year appointees of the School of Medicine-Springfield shall not exceed seven, in addition to those prescribed by law, except for emergencies, or as provided in any notice of administrative closure which is specifically designated by the Chancellor to also apply to the School of Medicine-Springfield. (5/13/99)

3. Sick Leave: Unused sick leave may be accumulated to provide for extended sick leave and disability benefits in an amount not exceeding 15 days per year.

Administrative Closure: Closure of any or all parts of a campus may be declared by an executive officer with the approval of the President in response to a natural emergency, in support of national or State policy, for reasons of health and safety, or in response to a budgetary shortfall, including significant delays in state reimbursements. Announcement of such closure will specify campus guidelines regarding paid leaves during such closure. Administrative closure may also be declared for a period of up to three working days during the period December 23 through January 2, upon the determination of the President that such closure is economically justified. Days designated for administrative closure during this period will be considered days of paid leave for all affected faculty and staff. Days designated for administrative closure in response to a budgetary shortfall, including delays in state reimbursements, shall be considered days of unpaid leave for all affected faculty and staff and shall be limited to no more than one day per bi-weekly pay period or two days per month but not to exceed six days in a fiscal year. Unpaid administrative closures shall not be scheduled during time periods when classes are in session. Each campus may establish its own procedures to implement unpaid administrative closures. (09/16/10)
5. Sabbatical and Professional Development Leaves: Personnel policies concerning faculty and professional staff will provide for such leaves. Sabbatical leaves for faculty and professional

development leaves shall be granted only on the basis of an approved plan designed to improve the professional performance of the applicant which contains a recognition of an obligation to report in writing the execution of the plan and return to an assignment of duties wherein the leave experience will benefit the institution for a reasonable period of time but not less than the duration of the leave. No such leave shall exceed one calendar year in duration, and the rate of compensation during the leave shall not exceed the regular monthly rate of the applicant at the time the leave commenced plus annual increments computed on the same basis as for the applicant's peers. Full sabbatical leaves, not to exceed six months at full pay or a calendar year at half pay, may only be granted after the completion of a six-year period of consecutive full-time employment measured from the commencement of employment as a faculty member or six years after the termination of a previous sabbatical leave. Policies concerning faculty may also provide for partial sabbatical leaves, not exceeding six months at half-pay, which may only be granted after the completion of a three-year- period of consecutive full-time employment or three years after the termination of a previous sabbatical leave.

6. Other paid absences: Other paid absences, such as those required for jury duty, certain military service, including active duty service during periods of national need, etc. shall also be addressed in the personnel policies as developed and approved by the Chancellors of his or her respective campuses, and shall be consistent with the provisions of this Chapter 2. (2/14/02)
- c. Nepotism: Such policies will prevent relatives within the third degree of consanguinity or spouses from making final personnel determinations for each other. Such relatives include, but are not limited to, parents, siblings, grandparents, aunts and uncles, nieces and nephews, and offspring including adoptees. (3/13/03)
- d. Grievances: Such policies will provide for prompt resolution of grievances by means of
 1. informal negotiations to be followed by, if necessary,
 2. a formal process through which an officer or panel makes findings or recommendations or both, and for which a record is compiled;
 3. a final determination by a responsible officer; and
 4. notice concerning the procedure for application for discretionary review by the Board.
- e. Conflicts of interest and commitment: Such policies will address the problems of conflict of interest and commitment and concurrent employment by other employers. (3/13/03)

1. Eligible academic ranks: Tenure may be granted to persons holding the faculty rank of professor, associate professor, or assistant professor. (3/13/03)
 2. Probationary service: The length of probationary service periods shall be specified in SIUC and SIUE policies on tenure, as approved by the President and in the initial employment contract. The maximum probationary service period is six years.⁽¹⁾ except for faculty at the School of Medicine having a clinical and education commitment greater than their research component, in which case the maximum probationary service period is eight years. Shorter probationary periods may be specified in campus policies on tenure or in the initial employment contract but should normally not be less than two years. By the end of the last year of the probationary service period of a faculty member the faculty member shall be notified in writing either that tenure has been awarded pending ratification by the Board of Trustees or that the faculty member's appointment will not be renewed after the following year. The requirement of a minimum period of probationary service may be waived under conditions as specified in each institution's policy.
 3. Recommendation for tenure:
 - a. The primary criteria to be utilized in the tenure decision process are performance in teaching, research, and service.
 - b. The primary responsibility for the evaluation of the academic qualifications of an individual candidate for tenure rests with tenured faculty in the appropriate unit. If an individual has tenure at another institution and becomes employed full-time as a tenured member of the SIU faculty or a member of SIU's administration the individual must relinquish tenure at the other institution before commencing employment at SIU. (3/13/03)
 - c. It is the responsibility of the head of each appropriate unit to evaluate annually each non-tenured faculty member in a tenurable rank within that unit and to individually inform such faculty members of their professional performance as measured by such evaluation.
 - d. Grievances arising out of a recommendation that tenure be denied shall be filed in writing and resolved through the approved faculty grievance procedures of SIUC including the School of Medicine or SIUE. In such cases, the burden of proof rests on the individual faculty member. (3/13/03)

(1) Assistant professors having job descriptions with a clinical and education commitment greater than their research commitment shall be notified in writing that tenure has been awarded at the end of the eight-year probationary period or that the appointment will not be renewed at the end of the ninth year.

- g. Professional positions.
1. Tenure does not apply to positions on the professional staff. A person shall not be deprived of tenure or the highest academic rank attained because of assignment to a professional staff position under the authority of the Board of Trustees. Such appointment shall not deprive a person of service credit attained toward the achievement of tenure or limit a person's normal progress toward tenure or promotion. The functions, titles, salaries, and annual periods of employment of persons in professional staff positions shall be distinct and severable from their faculty status.
 2. Upon reassignment to duty in the tenured position, the monthly salary therein shall be determined after consultation with the individual on the basis of the nature of the position, the experience, academic qualifications and previous service of the individual, and the salary range within the department, school or college to which reassignment is made. Reassignment of duties may occur at any time. Adjustments in salary may occur at the end of any fiscal year or within a fiscal year if for cause duly stated. (3/13/03)
- h. Notice of non-reappointment: The Faculty and Professional Staff Personnel Policies will provide for such notice for faculty in tenure-eligible ranks and other employees on continuing appointments. Term appointments are for a specified period of time and expire at the end of the term stated in the notice of appointment; no separate notice of non-reappointment need be given for such appointments. Notice of non-reappointment of professional staff and untenured faculty on continuing appointments shall be given in writing as follows:
- | | |
|--|------------------------------|
| First appointment year | No less than 3-months notice |
| Second appointment year | No less than 6-months notice |
| Third and subsequent appointment years | No less than 1-year notice |

- i. No notice period need exceed the length of the appointment. The notice periods shall be proportionally shortened for appointments of less than an academic or fiscal year. Notice periods longer than those stated above may be incorporated in the Faculty and Professional Staff Personnel Policies.
- j. Outside professional activities: Such policies will provide for the reporting to and regulation by the executive officers of extramural research, consulting, and employment of faculty and professional staff so that such activities complement professional performance. When such activities are of a nature that administrative involvement in their conduct is necessary or desirable to facilitate the complementary effect on professional performance, additional or supplementary policies may be promulgated by the executive officer, subject to the approval of the President. Such policies may govern administrative involvement and provide for the payment or reimbursement of the administrative expense from the proceeds of the external activity. Examples of the latter include, without limitation, patents, copyrights, and clinic practice of professionals conducted pursuant to the educational mission of SIUC or SIUE.
- k. Such policies will provide for a drug-free workplace which shall meet the minimum standards of applicable statutes or rules having the force of law and will be promulgated by the Chancellors at their respective campuses. (3/13/03)
- l. Such policies will provide for Family and Medical Leave which shall meet the minimum standards of applicable statutes or rules having the force of law.
- m. At SIUC, an assistant professor who has served previously as an instructor at SIUC may serve a total probationary period in both ranks not to exceed seven years. At SIUE, this maximum period may be extended by one year by mutual written agreement of the academic unit and the individual.

Section 3: Student Regulations and Policies

A. *Residency Status*

1. The following regulations govern the determination of residency status for admission and assessment of student tuition. For the purpose of these regulations an "adult" is considered to be a student 18 years of age or over; a "minor" student is a student under 18 years of age. The term "the State" means the State of Illinois except in the following instances: 1) for the purposes of assessing graduate-level student tuition, the Chancellors, with the agreement of the President, may take the term "the State" to include the Kentucky Counties of Ballard, Caldwell, Calloway, Carlisle, Crittenden, Fulton, Graves, Hickman, Livingston, Lyon, McCracken, Marshall, Trigg, and Union; 2) for purposes of assessing graduate-level student tuition, the Chancellors, with the agreement of the President, may take the term "the State" to include the State of Missouri. Neither exception may apply to the assessment of tuition at the School of Dental Medicine, the School of Pharmacy, the School of Law, or the School of Medicine. Upon recommendation by the President and approval by the Board, the Chancellors of Southern Illinois University Carbondale and Southern Illinois University Edwardsville may, in special situations, charge alternate tuition rates to categories of persons otherwise classified as nonresident students under this regulation. Except for those exceptions clearly indicated in these regulations, in all cases where records establish that the person does not meet the requirements for resident status as defined in these regulations the non-resident status shall be assigned (4/11/96, 3/13/03, 9/20/07, 11/14/13), (3/24/16)
 - a. *Residency determination*: Evidence for determination of residence status of each applicant for admission to the University shall be submitted to the Director of Admissions at the time of application for admission. A student may be reclassified at any time by the University upon the basis of additional or changed information. However, if the University has erroneously classified the student as a resident, the change in tuition shall be applicable beginning with the term following the reclassification; if the University has erroneously classified the student as a nonresident, the change in tuition shall be applicable to the term in which the reclassification occurs, provided the student has filed a written request for review in accordance with these regulations. If the University has classified a student as a resident based on false or falsified documents, the student may either be reclassified to nonresident status which shall be retroactive to the first term during which residency status was based on the false or falsified documents or be denied initial or continuing admission. (3/13/03)
 - b. *Adult student*: An adult, to be considered a resident, must have been a bona fide resident of the State for a period of at least 6 consecutive months immediately preceding the beginning of any term for which the individual registers at the University, and must continue to maintain a

bona fide residence in the State, except that an adult student whose parents (or one of them if only one parent is living or the parents are separated or divorced) have established and are maintaining a bona fide residence in the State and who resides with them (or the one residing in the State) or elsewhere in the State will be regarded as a resident student. (10/8/98, 3/13/03)

- c. *Minor student*: The residence of a minor shall be considered to be, and to change with and follow:
 1. that of the parents, if they are living together, or living parent, if one is dead; or
 2. if the parents are separated or divorced, that of the parent to whom the custody of the person has been awarded by court decree or order, or in the absence of a court decree or order, that of the parent with which the person has continuously resided for a period of at least 6 consecutive months immediately preceding registration at the University (10/8/98); or
 3. that of the adoptive parents, if the person has been legally adopted and, in the event the adoptive parents become divorced or separated, that of the adoptive parent whose residence would govern under the foregoing rules if that parent had been a natural parent; or
 4. that of the legally appointed guardian of the person; or
 5. that of the "natural" guardian, such as a grandparent, adult brother or adult sister, adult uncle or aunt, or other adult relative with whom the person has resided and by whom the student has been supported for a period of at least 6 consecutive months immediately preceding registration at the University for any term, if the person's parents are dead or have abandoned this person and if no legal guardian of the person has been appointed and qualified. (10/8/98, 3/13/03)
- d. *Parent or guardian*: No parent or legal or natural guardian will be considered a resident of the State unless this person. (3/13/03)
 1. maintains a bona fide and permanent place of abode within the State, and
 2. lives, except when temporarily absent from the State with no intention of changing the legal residence to some other State or country, within the State.
- e. *Emancipated minor*: If a minor has been emancipated, is completely self-supporting, and actually resides in the State, the minor shall be considered to be a resident even though the parents or guardian may reside outside the State. An emancipated minor who is completely self-supporting shall be considered to "actually reside in the State of Illinois" if a dwelling place has been maintained within the State uninterrupted for a period of at least 6 consecutive months immediately preceding term

registration at the University. Marriage or active military service shall be regarded as effecting the emancipation of minors, whether male or female, for the purposes of this regulation. An emancipated minor whose parents (or one of them if only one parent is living or the parents are separated or divorced) have established and are maintaining a bona fide residence in the State and who resides with them (or the one residing in the State) or elsewhere in the State will be regarded as a resident student. (10/8/98, 3/13/03)

- f. *Married student*: A nonresident student, whether male or female, or a minor or adult, or a citizen or noncitizen of the United States, who is married to a resident of the State, may be classified as a resident so long as the individual continues to reside in the State; however, a spouse through which a student claims residency must demonstrate residency in compliance with the requirements applicable to students seeking resident status.
- g. *Persons without United States citizenship*: A person who is not a citizen of the United States of America who meets and complies with all of the other applicable requirements of these regulations may establish residence status unless the person holds a visa which on its face precludes an intent to reside in the United States.
- h. *Armed Forces personnel*: A person who is actively serving in one of the Armed Forces of the United States and who is stationed and present in the State in connection with that service and submits evidence of such service and station, shall be treated as a resident as long as the person remains stationed and present in Illinois. If the spouse or dependent children of such member of the Armed Forces also live in the State, similar treatment shall be granted to them. A person who is actively serving in one of the Armed Forces of the United States and who is stationed outside the State may be considered a resident only if the individual was a resident of the State at the time of entry into military service, except as otherwise specified by Board policy. A person who is separated from active military service will be considered a resident of Illinois immediately upon separation providing this person a) was a resident of the State at the time of enlistment in the military service, b) became treated as a resident while in the military, or c) has resided within the State for a period of 6 months after separation. (10/8/98)
- i. *State and Federal Penitentiary*: A person who is incarcerated in a State or Federal place of detention within the State of Illinois will be treated as a resident for tuition assessment purposes as long as this person remains in that place of detention. If bona fide residence is established in Illinois upon release from detention, the duration of residence shall be deemed to include the prior period of detention. (3/13/03)
- j. *Minor children of parents transferred outside the United States*: The minor children of persons who have resided in the State for at least 6

consecutive months immediately prior to a transfer by their employers to some location outside the United States shall be considered residents. However, this shall apply only when the minor children of such parents enroll in the University within 5 years from the time their parents are transferred by their employer to some location outside the United States.

(10/8/98)

- k. *Employees and dependents of University employees:* Employees and the spouses and dependent children of all staff members (academic, administrative, nonacademic) on appointment with the University shall be considered as resident students for purposes of tuition assessment. (09/12/13)
- l. *Contractual Agreements:* The Chancellors, with the approval of the President, may enter into agreements with other institutions in or out of state under the terms of which students at the other institutions are defined as residents of the State of Illinois.
- m. *Definition of terminology:* To the extent that the terms, "bona fide residence," "independent," "dependent," and "emancipation," are not defined in these regulations, definitions shall be determined by according due consideration to all of the facts pertinent and material to the question and to the applicable laws and court decisions of the State of Illinois. A bona fide residence is a domicile of an individual which is the true, fixed, and permanent home and place of habitation. It is the place to which, whenever absent, the individual has the intention of returning. Criteria to determine this intention include but are not limited to year-around residence, voter registration, place of filing tax returns (home state indicated on federal tax return for purposes of revenue sharing), property ownership, driver's license, car registration, vacations, and employment.
- n. *Procedure for review of residency status or tuition assessment:* A student who takes exception to the residency status assigned or tuition assessed shall pay the tuition assessed but may file a claim in writing to the appropriate official for a reconsideration of residency status and an adjustment of the tuition assessed. The written claim must be filed within 30 school days from the date of assessment of tuition or the date designated in the official SIUC or SIUE calendar as that upon which instruction begins for the academic period for which the tuition is payable, whichever is later, or the student loses all rights to a change of status and adjustment of the tuition assessed for the term in question. If the student is dissatisfied with the ruling in response to the written claim made within this period, the student may appeal the ruling to the Chancellor or his or her designee by filing with that official within 20 days of the notice of the ruling a written request. (3/13/03)

Section 3: Student Regulations and Policies

C. *Student Rights and Conduct Policy*

1. *General*: Students enrolled in public institutions of higher education are entitled to the same First Amendment freedoms of association, speech and assembly, and press that they hold as citizens. Free discourse lies at the heart of the University's purpose, and the University remains concerned that an atmosphere conducive to reasoned pursuits of intellectual objectives be maintained at all times. Responsible intellectual inquiry requires that there be a respect for individual persons and both public and private properties throughout the conduct of all forms of discourse. To this end, the following policy is adopted.
2. *Southern Illinois University at Carbondale and Southern Illinois University at Edwardsville*
 - a. Each Chancellor is hereby authorized to develop regulations for SIUC or SIUE dealing with student rights and conduct. For the SIU School of Medicine, the SIUC Chancellor and Dean and Provost are to jointly develop these regulations.
 - b. Such regulations and any amendments thereto shall become effective when approved by the President.
 - c. Such regulations shall provide specific recognition of basic student rights in the institutional context; shall for the protection of students clarify the distinction between institutional conduct standards and those established by civil and criminal statutes; shall specify non-acceptable activities for students aimed at preserving the welfare of the institutional community and the protection of its population and the sanctions which may be imposed in the name of the University for commission of such non-acceptable activities; shall provide for the bringing of complaints regarding activities, for procedures for assessing such complaints, and for due process in determining whether violations of any standards have occurred; and shall provide for an appeal procedure to be available to those who wish to challenge the judgment arrived at by such established procedures.
3. *Separation of Students*: Separation of a student from the University for academic or nonacademic reasons is the responsibility of the Chief Officer of either Academic Affairs or Student Affairs or designee on the Carbondale, Edwardsville or Springfield campuses. Any nonacademic separation may be appealed to the appropriate entity as designated by campus policies. (3/13/03), (3/24/16)

All advertising, receiving, opening, recording, and tabulating of bids by IPHEC and the award of any contract shall be in accordance with the Procurement Rules of the Chief Procurement Officer of Public Institutions of Higher Education and in accordance with the provisions of the laws of the State of Illinois.
- f. Guidelines for Procurements Exempt from the Procurement Rules of the Chief Procurement Officer of Public Institutions of Higher Education.

Occasionally it is convenient or necessary to vend or lease a privilege or property to the larger community. Examples include the food service franchise within a student union, concessions or broadcasting rights for sports or entertainment events, automatic vending services, and leases of property for uses compatible with the mission of the Board. Sales of a privilege or property do not involve the expenditure of University funds. Nevertheless, such sales do represent the bartering of a University asset in return for cash, services or goods, and most of the same procurement principles and standards should be applied. (12/08/11)

1. Principles

- a. The opportunity to submit a bid should be offered to any qualified supplier. Minor transactions may be offered on the basis of telephone bids or communicated in electronically transmitted form. When in the best interest of the University, transactions over the legal bid limit

should be subject to formal competitive selection procedures. (3/13/03)

- b. The structure of the competitive selection process must be such as to assure bidders that the award was based on objective judgment of known criteria applied to a defined set of facts. It is not sufficient that the award is subjectively impartial; it must also be perceived as impartial. The President will promulgate Guidelines to ensure that such privileges are awarded competitively and impartially. (3/13/03)

2. Standards

Use of the following standards will aid in producing the perception that privileges are awarded competitively and impartially.

- a. Bid specifications should set forth clearly the extent of services or quality of goods to be provided and the form and time of payment of any cash.
- b. Bid specifications should state clearly the criterion or criteria for award, and no award shall be made which is materially influenced by any other factor.
- c. When technical competence as opposed to unique artistic or professional talent is all that is necessary to performance, a minimum standard of competence shall be clearly described and required as a condition or qualification for consideration of a bidder's proposal. To the extent fiscal stability of the supplier bears upon the performance expected, a minimum prerequisite should also be used. The capacity to furnish a performance bond will usually satisfy the latter concern. The important concern is to avoid subjective comparisons of technical or fiscal ability as a criterion for award whenever such comparisons can be avoided.
- d. Consultants should be used as necessary to achieve the clarity and quantifiability required by the preceding principles, to the end that awards may be on demonstrably objective bases so far as is possible. Where subjective judgments cannot be avoided they should be made on the basis of recommendations of disinterested experts on the subject.
- e. All submittals by bidders shall be received at a specified location via electronic transmission or in sealed packages or envelopes clearly labeled as a bid on a particular

proposed transaction, and publicly opened (except proposals), read or described or otherwise made public. Only materials so received shall be considered in making an award. No material omission, pertinent to a criterion for award, may be waived, unless determined by the University Purchasing Director to be in the best interest of the University. No other communication by a bidder on the subject of the bid shall be received or considered if known, except requests for clarification of specifications prior to the bid opening; response to such requests may only be made by an amendment to specifications distributed to all potential bidders or in mandatory pre-bid meeting where all bidders must be present. Further clarification or documentation or other proof of representations in bid documents in hand are the only communications which may be received from a bidder after the bid opening. (3/13/03, 04/14/11)

3. Procedures

- a. The office desiring to lease or lease purchase tangible personal property or vend a privilege or property of the University in return for cash, services, or goods shall utilize the same procedure as is mandated for procurement from University funds. A Requisition describing the functions required or stating the privilege or asset to be vended and the desired return shall be approved in the usual manner and submitted to the University Purchasing Director.
- b. The dollar limit above which Board of Trustees approval of a lease or lease purchase of tangible personal property is required is determined by the cost over the whole prospective period of a lease or renewals provided for therein, and approval shall be obtained before making any promise of payment or commitment of funds whatsoever.
- c. The University Purchasing Director will handle a tangible personal property lease or lease purchase or the procurement of the services or goods in the same manner as other procurements so far as possible.
- d. The Procurement Rules of the Chief Procurement Officer of Public Institutions of Higher Education will govern either directly, by inversion, or by analogy, to the extent feasible.

(9/14/00, 04/14/11)

- g. Vendor Suspension or Debarment

The Board authorizes the University Purchasing Directors to petition the State Purchasing Officer to suspend or the Chief Procurement Officer to debar a vendor from submitting future bids for violation of the Procurement Code and/or the Rules of the Chief Procurement Officer of Public Institutions of Higher Education. (12/08/11)

h. Procurement of Search Firm Services

The services of an external hiring search firm shall be retained by the University only as specified in this policy. A search firm may be retained to assist the Board of Trustees in the recruitment, selection, and hiring of a President or Chancellor. For all other positions, the Board of Trustees authorizes the President to retain an external hiring search firm to assist in the recruitment, selection, and hiring when a justifiable need is established and approved by the President based on any of the following qualifying criteria.

1. The position to be filled is of such a specialized nature or scope that use of an external search firm provides a more cost effective use of University resources.
2. The position to be filled requires a level of professional search expertise exceeding that available internally to the University.
3. The position to be filled is of such a critical nature or scope that it must be filled immediately, time being of the essence.
4. The diversity of the applicant pool will be significantly enhanced by services provided by an external hiring search firm. (11/08/12)

Such program will comply with all state and federal regulations.

It shall give notice of the requester's right to appeal to the Public Access Counselor of the Illinois Attorney General's Office and provide contact information for the Public Access Counselor.  - d. When a denial is based on the exemptions contained in subsection 7(1)(c) or subsection 7(1)(f) of the Act, the requester and the Public Access Counselor will be notified of the intent to deny the request in whole or in part. The notice shall include: (i) a copy of the request; (ii) the proposed response from the public body; and (iii) a detailed summary of the public body's basis for asserting the exemption.

3. Alcoholic Beverages Policy. Preamble. Southern Illinois University and its students, faculty, and staff are committed to promoting a safe, healthy learning community for all its members. Southern Illinois University strives to encourage legal, health enhancing behaviors, norms and practices regarding the use of alcohol. The responsibility for reaching these goals lies with each member of this academic community. This policy is intended to articulate and affirm community wide norms consistent with legal requirements for use of alcoholic beverages that minimize situations where alcohol use compromises positive living, learning and working experiences for each member of our community. The rationale for this policy includes a recognition that a significant portion of undergraduate students are under the legal age for use of alcohol and that serious health and safety risks are associated with the use of alcohol in the collegiate environment. The abuse of alcohol, regardless of the user's age, may pose a threat to health

and interfere with one's ability to participate fully in academic activities. Alcohol abuse is associated with violent behavior towards others, short and long range medical, behavioral or social problems as well as negative effects on academic or work performance. It may lead to inappropriate risk taking which can result in injury or death. The abuse of alcohol interferes significantly with the mission of the University. In addition to affecting the health and safety of students, faculty and staff, it exacts tremendous costs in its interference with the goals of learning, and through crime, property damage, and personal injury and impairment. The abuse of alcohol can create serious problems for non-abusing members of the community through incidents of criminal victimization, harassment, impaired study time, and other secondhand effects. Students, faculty, and staff make up a community in which each individual should respect the rights, health, property, and participation of others within the community. A university- wide commitment to alcohol education is a necessary part of the effort to minimize such risks.

a. General Policies

1. The University shall develop policies and procedures designed to prevent alcohol abuse and its deleterious effects to the people of the University community, the University's reputation, and to the communities in which students live by:
 - a. Educating members of the community about alcohol, health effects, safety hazards, and policies and sanctions used to implement these policies;
 - b. Promoting and supporting institutional programs that foster health and wellness in academic and nonacademic settings. These programs will include a variety of health-related topics and risk reduction strategies.
 - c. Intervening and providing assistance to those with problems while creating an atmosphere in which those problems are encouraged to seek help.
 - d. Applying disciplinary sanctions that support prevention programs and emphasize the consequences of alcohol abuse.
2. The use, including sale, delivery, possession, and consumption of alcoholic beverages in or on any property owned or controlled by Southern Illinois University is strictly prohibited, except as permitted by campus policy.
3. Where permitted under this policy, the use of alcoholic beverages on University premises shall be considered a privilege and may be permitted only if consistent with applicable laws and regulations,

and only when such use will not interfere with the decorum and academic environment of the University.

4. All members of the University community and their guests are responsible for conducting themselves in accordance with applicable laws and the policies and regulations of the University governing the use of alcoholic beverages. All student and other groups or organizations using University facilities or premises shall be required to adhere to such laws and regulations.
5. The University assumes no responsibility for any liability incurred as a result of an organization's or individual's violation of the policy or any applicable laws governing the use and consumption of alcoholic beverages. All student and other organizations while using University facilities or premises shall be required to abide by State laws and University policies governing alcoholic beverages; members of the organization are responsible for conducting themselves in accordance with the State laws and University policies.
6. The Chancellors and the Dean and Provost of the SIU School of Medicine shall, subject to the approval of the President, develop, to the maximum extent possible, common procedures to implement this policy.

(5/10/01), (3/24/16)

4. Policy on Demonstrations

- a. General: The University is a community dedicated to intellectual development by the process of rational thought and to the freedom of expression of ideas and opinions. It is a community that not only tolerates dissent, it welcomes responsible dissent and discourse on the issues of our time. Southern Illinois University has historically stood in this tradition. Freedom is indivisible and recognition of this fact is paramount to the maintenance of the open University community. Freedom to protest by lawful means must and will be protected by all the authority available to the University. However, when actions of individuals or groups interfere with the legitimate rights of others and are directed at the disruption of the normal processes of University life they must and will be resisted. The democratic process is based on the principles of acceptance by both the majority and the minority of the rights of both -- freedom to dissent and freedom to pursue one's own purposes so long as they do not interfere with the rights of others. We are committed as a University to maintain these freedoms and will use all the means at the disposal of the University to do so. Acts which interfere with the rights of students, faculty, and staff to conduct their normal

duties will be appropriately dealt with. Interference with the normal function and proper conduct of the University or with the legitimate rights of individuals forces the University to take appropriate disciplinary action including suspension and expulsion when University regulations are disregarded and to invoke legal action by civil authority when the laws of the state of Illinois are broken. The preservation of freedom of speech and the recognition of the right to peaceful demonstration as part of that freedom is possible only in an orderly environment in which individuals and the University are free from coercion and interference in the exercise of their rights or in carrying out their legitimate activities. The fundamental standards governing group and individual behavior to be enforced by the University prohibit activities that:

1. disrupt the regular and orderly performance of authorized University functions;
2. interfere with the safety, welfare, and the rights of members of the University community, University guests, and local citizens;
3. are destructive of public or private property.

In keeping with these basic provisions, the following specific authorizations are adopted:

- b. Southern Illinois University at Carbondale and Southern Illinois University at Edwardsville
 1. Each Chancellor shall develop regulations and procedures governing University involvement in protecting the basic freedoms of individuals and the basic responsibilities of the institution and in acting when those freedoms and responsibilities are threatened by the behavior of individuals or groups.
 2. Such regulations and procedures and amendments shall become effective when approved by the President. (3/13/03)
 3. Such regulations and procedures shall identify conduct which is specifically prohibited in the interest of protecting the rights or safety of individuals, the performance of the University mission, and the safety of property; shall specify the University authority who shall determine that disruptive behavior is occurring and who shall provide appropriate warning to the participants in such behavior; shall specify sanctions to be imposed for disruptive activities; shall specify an appropriate hearing process for determination of facts or appeals of alleged disruptive behavior; shall establish facilities for the gathering of groups who wish to exercise their rights in a visible manner, and shall provide procedures for the orderly use of such facilities; shall provide for

maintaining the mission of the University in as full a manner as is possible in the face of any disruptive activities; and shall set forth the basic responsibilities of all University personnel -- students, faculty, and staff -- when disruptive behavior occurs.

5. Motor Vehicle and Bicycle Regulatory Policies

a. Motor Vehicle Regulatory Policies

1. SIUC and SIUE Chancellors are hereby authorized to develop regulations for their campus dealing with the registration and use of motor vehicles on University property.
2. Such regulations shall prescribe adherence to all applicable Federal, State, and local laws and regulations; shall provide authority for duly authorized security officers to enforce such regulations or to direct actions differing from such regulations; shall establish conditions and stipulations governing the use and operation of motor vehicles on University property which preserve the safety and protect the property of both individuals and the University; shall establish sanctions, including monetary use charges, to be imposed for violations of such regulations; shall provide a just and equitable process for those who wish to challenge any allegations of violation of the regulations; shall support the effective use of University facilities by establishing conditions and fees for registration of vehicles and for parking, and shall stipulate that such fees will be devoted to defraying the costs of vehicle registration, enforcement of regulations, and parking facilities; and in the same spirit shall authorize the establishment of short-term parking areas and assessment and collection of fees for use of such areas.

(3/13/03)

b. Bicycle Regulatory Policies

1. SIUC and SIUE Chancellors are hereby authorized to develop regulations for the institution dealing with the registration and use of bicycles on University property.
2. Such regulations shall prescribe scrupulous adherence to all applicable Federal, State, and local regulations; shall provide authority for duly authorized security officers to enforce such regulations or to direct actions differing from such regulations; shall establish conditions and stipulations governing the use and operation of motor vehicles on University property which preserve the safety and protect the property of both individuals

and the University; shall establish sanctions, including monetary use charges, to be imposed for violations of such regulations; shall provide a just and equitable process for those who wish to challenge any allegations of violation of the regulations; shall support the effective use of University facilities by establishing conditions and fees for registration of vehicles and for parking, and shall stipulate that such fees will be devoted to defraying the costs of vehicle registration, enforcement of regulations, and parking facilities; and in the same spirit shall authorize the establishment of short-term parking areas and assessment and collection of fees for use of such areas.(3/13/03)

6. Use of University Personal Property

- a. **The Law:** The Illinois Constitution provides that public funds, property or credit shall be used only for public purposes. Both the Illinois and U.S. Constitutions prohibit deprivation of property without due process of law. Application of tax money for other than public purposes has been held to deprive the taxpayer of property without due process of law. The University is a trustee under a duty to see that public property is applied only to public purposes and each employee is an agent of that trustee charged with the same duty as to all property within his or her control. In addition, the procedures for administering property are prescribed by the State Property Control Act. (3/13/03)
- b. **Scope of these Guidelines:** Use of public funds and credit and use of University land and buildings are separately regulated. These guidelines cover all other assets or items with an exchangeable value, whether tangible or intangible (such as a copyright). The short description of such assets or items is "personal property."
- c. **Public Purposes:** The public purposes to which Southern Illinois University can devote its funds or property are defined by its mission as set forth by the General Assembly plus activities necessarily implied or incidental to the performance of those objects. (3/13/03)
- d. **Misuse of Personal Property:** Misuse of University personal property consists of giving it to, permitting its use or consumption by, or using or consuming it for the benefit of any person, group or organization within or outside the University, except in pursuit of the public purposes of the University as defined above. It is also misuse to waste, abuse or neglect personal property to its damage, destruction, or impairment of function or useful life. It is not misuse of personal property to give or lend it to, or use or consume it for the benefit of a third party pursuant to a contractual agreement, executed by proper authority, wherein a full and fair consideration is to be received in exchange for its use and where the consideration is or may be used to advance the public purposes of the University.

- e. Regulations: Since the detailed application of these guidelines will vary with the internal organization within which they are applied, the Chancellors are hereby authorized to issue and enforce regulations for all units and personnel under their respective jurisdiction. Such Regulations shall become effective upon approval of the President. (3/13/03)

Section 7: Legal and Ethical Conduct Requirements

E. *Policy on Non-Discrimination and Non-Harassment*

It is the policy of Southern Illinois University that all students, faculty, staff, and guests should be able to enjoy and work in an educational environment free from discrimination, and harassment. Discrimination against any person or group of persons based on race, color, national origin, ancestry, religion, sex, sexual orientation including gender identity, marital status, age, physical or mental disability, military status, unfavorable discharge from military service, or veteran's status is specifically prohibited in the Southern Illinois University community. This policy on non-discrimination and non-harassment reaffirms Southern Illinois University's commitment to maintain an environment in which ideas are pursued free of intimidation or fear, and the Policy applies to admissions, employment, access to and treatment in all University programs and activities.

Discriminatory harassment includes, but is not limited to, conduct (oral, written, graphics or physical) directed against any person or group of persons because of race, color, national origin, ancestry, religion, sex, sexual orientation including gender identity, marital status, age, physical or mental disability, military status, unfavorable discharge from military service, or veteran's status that has the purpose of or reasonably foreseeable effect of creating an offensive, demeaning, intimidating or hostile environment for that person or group of persons. Such conduct includes but is not limited to objectionable epithets demeaning depictions or treatment and threatened or actual abuse or harm.

Harassment of any kind is strictly prohibited and may also be a violation of federal and or state laws. Each Chancellor and the Dean and Provost of the SIU School of Medicine is authorized to develop or use existing procedures for his or her respective campuses to address discrimination and harassment.

PROPOSED TUITION RATES AND FEE MATTERS, SIUE
[AMENDMENT TO 4 POLICIES OF THE BOARD APPENDIX B]

Summary

This matter proposes changes to the previously approved tuition schedule and various fee matters.

Rationale for Adoption – Tuition

Undergraduate and Graduate Student Tuition Rates

Historically, Southern Illinois University has been a leader in delivering a high quality educational experience to its students at an affordable price. It remains the intent of the Board and University administration to continue with that policy and to honor the tradition of providing an accessible education regardless of financial need or other economic barriers.

Proposed tuition rates for undergraduates, nursing accelerated students, graduate students, and for students enrolled in the professional schools of Dental Medicine and Pharmacy are shown in Table 1. The proposed rates, which include an increase of 9% in Undergraduate tuition rates, are needed to fund additional cost obligations of the University. Without this additional funding, the quality of educational opportunities for students would be diminished.

Accordingly, the University hereby proposes changes for FY 2017 tuition as outlined in Table 1.

Alternate Tuition Program: Undergraduate and Graduate Approved Partnership Programs

On February 13, 2014, the SIU Board of Trustees approved an alternate tuition rate of 1.8 times the applicable in-state rate for SIUE undergraduate and graduate students with non-resident status who are participating in dual diploma programs.

Based on the success of the dual diploma program, SIUE has signed Memorandums of Understanding (MOU) with other institutions in order to establish partnerships in the enrollment of international students at SIUE. This amendment would allow the alternate tuition rate of 1.8 times the applicable in-state tuition rate to be applied to those students coming from cooperating institutions that have a MOU.

Extending the alternate tuition rate of 1.8 times the applicable in-state tuition rate beginning fall semester 2016 to include international students from cooperating institutions that have a MOU would permit the University to be competitive in attracting the highest achieving students. Accordingly, the University hereby proposes changes in the Undergraduate and Graduate Approved Partnership Programs as outlined in Table 2.

Alternate Tuition Program: Regional Enhancement Program

On November 14, 2013, the SIU Board of Trustees approved an alternate tuition rate of 1.0 times the in-state tuition rate for SIUE students from Wisconsin, Iowa, Indiana, Kentucky, Missouri, Tennessee, and Arkansas. This amendment will enable students residing in one of the named regional states who re-enter to also pay the alternate rate. Re-entering students are those who have not attended SIUE for three consecutive semesters and seek re-admission to the University to complete their degree. This amendment improves the recruitment of students who might not otherwise attend SIUE. Accordingly, the University hereby proposes changes in the Regional Enhancement Program as outlined in Table 2.

Alternate Tuition Program: Legacy Student Enhancement Program

On November 14, 2013, the SIU Board of Trustees approved the SIUE Legacy Student Enhancement Program to increase recruitment of children of SIUE

graduates from other states in order to expand the overall proportion of such students in the SIUE student population. Since the implementation of the Program, the University has experienced students who graduated from SIUE who want to return for a second undergraduate degree. The policy as written provides non-residents with in-state tuition if they are a descendant or sibling of an SIUE graduate. The amended language would clearly state that if the student is a graduate from SIUE, this also qualifies them to receive the in-state rate for undergraduate coursework. Accordingly, the University hereby proposes changes in the Legacy Student Enhancement Program as outlined in Table 2.

Rationale for Adoption – Mandatory Student Fees

The University hereby proposes changes in the Mandatory Student Fees as described below and as listed in Table 3.

Athletic Fee

This matter would approve a rate increase in the Athletic Fee of \$6.25 per semester, effective fall 2016. The semester rate would increase from \$181.70 to \$187.95 for FY17. This is a 3.4% increase.

The Athletic Fee is the principal source of revenue supporting the Intercollegiate Athletic Program at SIUE. The proposed increase of \$6.25 per semester would support the annual operating expenses associated with SIUE's continual evolution as a NCAA Division I Institution and would maintain approved fund balance targets.

Facilities Fee

This matter would approve a rate increase in the Facilities Fee of \$.60 per credit hour, effective fall 2016. The academic year fee would increase from \$601.50 to \$619.50. This is a 3.0% increase.

A proposed \$20.65 per credit hour Facilities Fee is being requested beginning fall semester 2016 to update the campus' buildings and infrastructure. During the next ten to fifteen years, SIUE will see an unprecedented increase in major building repairs. The Edwardsville Campus has a large group of major buildings and infrastructure built over a short period of time during the same era. There are seven major buildings on campus built between 1965 and 1979, totaling nearly one million square feet. Major systems of that era are reaching the end of their economic lives. Experience has shown that once buildings and their supporting infrastructure go past their economic life, the operating and maintenance costs rise rapidly and the ability to meet user needs and to adapt to changing user demands decrease. Some of these impacts are already visible on campus.

Representative projects funded with this fee include: renovate offices and classrooms in various classroom buildings and the campus' electrical system upgrade.

The fee also will help address any utilities shortfall. This fee will be charged to all on-campus students.

In the future, this Fee is presumed to increase by a not-to-exceed 3% inflation factor.

Information Technology Fee

This matter would approve a rate increase in the Information Technology Fee of \$.20 per credit hour, effective fall semester 2016, for a proposed total rate of \$7.55 per credit hour. This is a 2.7% increase.

A proposed \$7.55 per credit hour Information Technology Fee is being requested beginning fall semester 2016 to offset inflationary operating cost increases and to maintain an appropriate fund balance. The cost per credit hour is viewed as the most equitable approach since students' demand for services has some proportionality to the number of classes they take. It is also consistent with SIUE's uncapped tuition.

The costs of supporting computing and the campus network infrastructure have been historically funded through a combination of network connection "jack charges" and appropriated funds. The available funds have remained stagnant, while the demand for services has grown dramatically. Every year, more of the University's operations are done through computing resources and require an ever greater infrastructure. The University needs to continually expand and enhance computing resources and the campus network infrastructure to satisfy the increasing demand as well as maintain and support information technology services for its faculty, staff, and students.

Student Welfare and Activity Fee

This matter would approve a rate increase, effective fall 2016, in the Student Welfare and Activity Fee (SWAF). The full-time semester fee would increase from \$118.00 to \$119.60. This is a 1.4% increase.

SIUE's Student Welfare and Activity Fee includes seven sub-fees which fund a variety of services, programs and activities which support campus life. As authorized by the Board, some of the sub-fees are assessed on a flat-rate basis while others are prorated across hours of enrollment.

Four of the current seven sub-fees within SWAF—Student Programming, Student Government, Student Publications, and Counseling & Health Services would be increased. Two of the other sub-fees, Student Activities and Organizations and Campus Recreation will remain at the same rate as FY16. This matter would also eliminate the Student Legal Services Sub-fee. The increase for the SWAF Fee would equate to an increase of \$1.60 per semester in total.

Textbook Rental Fee

This matter would approve a rate increase in the full-time Textbook Rental Fee of \$.70 per credit hour from \$16.30 to \$17.00 per credit hour, effective fall 2016. The Textbook Rental Fee is assessed at the same rates during a semester and the summer session. The semester rate for 15 hours would increase from \$244.50 to \$255.00 for FY17. This is a 4.3% increase.

The Textbook Rental Fee is the principal source of revenue supporting Textbook Service, which operates primarily on a cost recovery basis.

Textbook costs are the largest and most variable cost of the operation of Textbook Service. In recent years we have adopted electronic materials (access codes) at the request of faculty. The proposed fee increase of 4.3% will assist in offsetting the additional digital cost as well as the inflationary cost of textbooks. Electronic materials (access codes) are a one-time cost each semester versus books which are depreciated over three years or nine semesters. Revenue from the increase would also offset other inflationary operating cost increases in salaries and general costs, provide necessary levels of service, maintain an appropriate fund balance and provide for administrative costs assessed auxiliaries. The proposed increase is part of the program begun several years ago to offset rising costs with annual fee increases.

University Center Fee

This matter would approve a rate increase in the University Center Fee of \$5.25 per semester, effective fall 2016. The semester rate would increase from \$171.75 to \$177.00 for FY17. This is a 3.1% increase.

The University Center Fee is the principal source of revenue supporting the University Center at SIUE. The proposed increase equating to \$5.25 per semester would offset inflationary operating cost increases in salaries, utilities and general costs, support student programming, maintain an appropriate fund balance, permit moderate equipment replacement and provide for administrative costs assessed auxiliaries. The increase will also enable the University Center to adequately fund the Repair and Replacement Reserve account used for equipment replacement, renovations and facility enhancements. The increase will permit the University Center to continue operating at the extended hours and service levels necessary to serve residential students.

Rationale for Adoption – Course Specific Fee **Nursing 529, Orientation to Nurse Anesthesia Practicum**

This matter would approve a course specific fee of \$320 to cover the cost of the Prodigy Anesthesia Certification Exam Simulator to be incorporated into the Nurse Anesthesia curriculum. This flat fee will cover the cost of the Prodigy Anesthesia Certification Exam Simulator license which will be used by students throughout the

program. NURS 529 is the first clinical course which prepares students to enter rotations in the hospital. By having this expense as a course specific fee instead of an outside expense, students will realize a savings of \$130.

This product will become a part of the curriculum rather than an optional tool that students may purchase. Students will benefit from clinical study and test-skills development through:

- 5,000 practice questions formulated to categories and content distribution mirroring the requirements of the NBCRNA national certifying exam,
- 1,000 pages of NBCRNA correlated study materials,
- 4,500 flashcard-style questions,
- 200 workbooks and worksheets on multiple assignable topics,
- Ability to take faculty designed focused NBCRNA categorized exams,
- Ability to take pre-designed individually paced program tests,
- Online, any-time access to the program, and
- Use of the program for 36 months, through graduation and NBCRNA national certifying exam study, prior to completing the exam.

Accordingly, the University hereby proposes changes in Appendix B-4, Professional Schools Student Fees to add a Nursing Course Specific Fee – Orientation to Nurse Anesthesia Practicum as outlined in Table 3.

Rationale for Adoption – Housing and Meal Plan Rates

Housing and Meal Plan

The University seeks a decrease in the approved FY17 rate from the approved 3% increase to 1%, and a 3% increase in the FY18 rate from the proposed FY17 rate for Family Housing in Cougar Village as shown in Table 4, effective May 2016. The proposed increase for all other Cougar Village Apartments, Woodland, Prairie, Bluff, and Evergreen Halls for Shared and Single rates would increase by 1% as shown in Table 4, effective May 2016. This matter would also approve an increase of 3.1% for the meal plan.

Proposed FY17 occupancy fee rates would offset inflationary cost increases projected at 2-3%, debt service, maintain adequate fund balances in the housing operation, and provide for administrative costs assessed auxiliaries.

The Resident Housing Association recommended a 3.1% increase per semester in the FY17 meal plan charges for students residing in Woodland, Prairie and Bluff Halls. The rates proposed herein were developed to offset inflationary cost increases in labor and food costs.

Considerations Against Adoption

University officers are concerned about increases in the cost of attendance and their possible negative effect on access to the University. Such concerns are integral to SIUE's annual tuition and fee review process and reflect its historic efforts to maintain tuition and fees at the lowest practical level.

Constituency Involvement

The appropriate constituency advisory board has approved each proposed fee and the housing occupancy rate increases. The proposed fees and housing occupancy rate increases were approved by the Student Senate and the University Planning and Budget Council. The Interim Chancellor and the Vice Chancellor for Student Affairs, SIUE, have recommended this matter to the President.

Notes:

1) New entering and continuing non-resident tuition is 2.5 times the in-state rate for Undergraduate and Graduate students unless they qualify for an Alternate Tuition Program.

2) The Accelerated Bachelor Studies in Nursing (ABSN) 15 month program is a post-baccalaureate sequence of study leading to a baccalaureate in nursing degree. Applicants who have already earned a baccalaureate degree from an accredited university and have completed all pre-nursing requirements will be eligible to enter this program. The first ABSN cohort began January 2006. The ABSN program currently requires 62-64 credit hours for completion, which reflects a decrease from the previously required 66 hours. The decrease is a result of curricular changes and the variability in the number of credit hours depends on the student's research-based coursework in their prior degree.

3) Students in the Master of Science Program in Nursing with a specialization in Nurse Anesthesia who are in the clinical phase of the program will be assessed a clinical charge of \$4,600 per term, effective Fall 2002, in addition to regular graduate-level tuition. Students must pay the clinical charge each term of clinical registration with a minimum of five terms.

4) Beginning in Academic Year 2016, non-resident tuition is 2.3 times the in-state rate for the Dental School and 1.2 times the in-state rate for Pharmacy.

5) Beginning with Academic Year 2015, a 15% differential tuition surcharge based upon the in-state rate will be assessed to all undergraduate majors in the School of Engineering.

Trustee Santoni noted that he thought many were not comfortable with a tuition increase at the present time with challenges for MAP grant funding, but he believed that SIU Edwardsville has done well at managing its budget and reserves, and he believed the administration has made a good decision and he wished to highlight that he was in support of the tuition increase.

Trustee Sambursky remarked that tuition increases were one of the most difficult decisions for the Board. He spoke of his fiduciary responsibility to provide the University the resources it needs to provide a world class education, but he felt the weight of social responsibility to do his part to make sure the education is affordable and accessible to students. He expressed concern that the 9 percent increase in tuition in one year was too high, and that he would vote against the matter.

Trustee Shelton inquired if the administration expected tuition to increase in the next fiscal year or would it remain steady.

Chancellor Hansen responded that it was hard to predict but in looking at a five-year period, if the University has a \$20 million to \$30 million decline in state support, he would expect to see the tuition rise for all the institutions. The Chancellor went on to say that he did not believe it would be necessary to put the entire burden on the students and their parents and that is why the administration spent a good deal of time trying to find other sources of revenue and other strategies for raising that revenue at Edwardsville that will help replace some of the lost state dollars.

President Dunn added that while the Board has authority to make mid-year adjustments, an increase or decrease, no institution wants to change pricing mid-stream

for students and their families to accommodate. Beyond that, it is hard to predict much more than a year at a time.

Chancellor Hansen pointed out that with guaranteed tuition, the rate will be applicable for new students coming in.

Trustee Portwood moved that the Board approve the item. The motion was duly seconded by Trustee Sholar. The motion carried by the following recorded vote: aye, Dr. Phil Gilbert; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Allen Shelton; Ms. Amy Sholar; and Maj. Gen. Randal Thomas; nay, Mr. Joel Sambursky.

Chair Thomas announced that the next Board of Trustees meeting would be held May 5, 2016, at Southern Illinois University Carbondale. The Chair reported that a news conference would be held upon adjournment of the meeting at the Board table.

Trustee Sambursky made a motion to adjourn the meeting. Trustee Gilbert seconded the motion. The motion passed unanimously by voice vote.

The meeting adjourned at 12:15 p.m.
