COMMUNITY DENTAL CENTER

The SIU Community Dental Center accepts Delta Dental, along with most Medicaid plans. Children and adults who are not covered by Delta Dental or Medicaid may also receive services at discounted rates. We accept cash and credit card payments only.

Services provided for children include cleanings, x-rays, dental exams, school exams, sealants, and topical fluoride treatments. Restorative treatment, such as fillings, may also be performed if needed. Services provided for adults include x-rays, dental exams, and restorative work, such as fillings. In some cases, we are able to provide root canals, dentures, and crowns as well. Dental cleanings for adults are referred to the SIU Dental Hygiene clinic.

Patients are seen by appointment only.

Summer 2018 hours are Monday-Thursday 8am-6pm, and Fall 2018 clinic hours are Tuesday & Thursday 8am-7pm. Appointments may be made by calling 618-453-2353. You can also contact us at communitydentalcenter@siu.edu.

Please call 24 hours in advance if you cannot make it to your appointment.
