Keep your students current on their progress while getting the data and feedback you need to hone your teaching skills. You can use Instructional Evaluation staff to support your teaching and research efforts at SIU.

Services include:

- Scoring and analysis of your classroom exams using machine-readable forms
- Processing of Instructor and Course Evaluations (ICE)
- **[Request Course Evaluation Material](#)**
- Consultation and analysis of research oriented instruments
- Click here for the [Request for Services Form](#)
 - Download form to your desktop and open with Adobe Reader
 - Fill out necessary fields
 - Save and Print form
 - Bring completed form, with your evaluations, to the Center for Teaching Excellence.
