

RESEARCH

Two SIU researchers found that the frog species *Gastrotheca excubitor* is [resistant to a deadly fungus](#) because of certain bacteria it carries. These researchers may have just provided an important clue.

The Carnegie Foundation for the Advancement of Teaching ranks SIU among the top 5 percent of all U.S. higher education institutions for research.

UNDERGRADUATE

- › [McNair Scholars](#)
- › [Illinois Louis Stokes Alliance for Minority Participation \(ILSAMP\)](#)
- › [Research Enriched Academic Challenge \(REACH\)](#)
- › [University Honors](#)

GRADUATE

SIU IS A PLACE WHERE IDEAS AND RESEARCH ARE THRIVING. THIS IS WHERE WE HANG OUR HAT. [We offer research opportunities in wide-ranging categories.](#) We have the funds and faculty available to make nearly anything possible. Find out what's available for [graduate research](#). There are also graduate [assistantships](#) and [fellowships](#).

FACULTY

Our faculty is well-known for its standing in the world of research. SIU is home to numerous successful research specialists.
