## SPECIALTY HOUSING

University Housing strives to accommodate our students. We are committed to the success of our residents. If you have any specialty housing interests not represented, please contact us for assistance.

### ACCESSIBILITY

We work closely with Disability Support Services to ensure student needs are appropriately accommodated. Learn more about accessibility in our residence halls by clicking [here](#). Apartment accessibility information is available by clicking [here](#).

### CO-ED HOUSING

We offer co-ed apartments in [Wall & Grand Apartments](#) and at [Evergreen Terrace Apartments](#).

### GENDER INCLUSIVITY

We offer gender-inclusive housing in the Campus Pride Living Learning Community (LLC), where students can live with suite-mates without regard to gender. This LLC provides a housing option for students who may identify as transgender or who are questioning their gender identity and do not wish to prescribe to gender classifications.

Learn more about this Living Learning Community by clicking [here](#). Learn more about the LGBTQ Resource Center by clicking [here](#).

### INTERNATIONAL STUDENTS

We welcome international students. Our "Global Living" Living Learning Community (LLC) may be a great fit! Residents share common interests and interact with faculty from various departments including Foreign Languages. Learn more about this LLC by clicking [here](#).

Graduate and family housing is available in our [Evergreen Terrace Apartments](#) complex.

We have a diverse student population in our residence halls and apartments. We have students from more than 100 countries living on our campus. We value and respect different cultures. Our [International Education department](#) is available to assist international students.

### JUNIOR/SENIOR HOUSING

We offer designated junior and senior housing on the 13th and 14th floors of Neely Hall. Juniors and seniors living on these floors may opt out of the dining plan. There is a kitchen located on the 1st floor of Neely Hall for residents' use. Juniors and seniors are also eligible to live in Wall & Grand Apartments. Learn more about our all-inclusive apartment complex by clicking [here](#).

### LIVING LEARNING COMMUNITIES

Students interested in connecting with students, faculty and staff in their residence halls may wish to consider a Living Learning Community (LLC). We offer a variety of LLCs in our residence halls which offer residents the opportunity to live with other students who share similar majors or interests. Learn more about our LLCs by clicking [here](#).

### VETERAN SERVICES

Our veterans have many options for on-campus living at SIU Carbondale, including Wall & Grand Apartments, Evergreen Terrace, junior/senior housing and traditional residence halls. We offer all-inclusive living in most areas, individual contracts and convenient locations. Our [Veteran's Services](#) office is a great resource.
